

Attention: Landowners and Future Oil and Gas Lessors

Krugliak, Wilkins, Griffiths & Dougherty Co., L.P.A. (KWGD) and Rokisky & Associates have entered into a letter agreement to lease oil and gas interests with an oil and gas producer for eastern Adams, and Salem Townships in Monroe County, Ohio. The lease provides \$5,400 per net acre, a 20% royalty and contains many landowner friendly terms. Also, another producer has agreed to lease oil and gas rights in Switzerland Township at \$5,250 per net acre and a 20% royalty. Landowners who are not already subject to an oil and gas lease and who own 20 acres or more in these townships may be able to participate in this group.
