RECITALS

WHEREAS, each of the Leases authorizes the lessee thereunder to pool, unitize or combine all or a portion of the lands covered thereby with other land or leases to form a pooled unit for the exploration, development and production of oil, gas and associated and constituent hydrocarbons from the lands covered by the Leases; and

WHEREAS, the pooling, unitization and combination of the Leases and oil and gas estates to the extent necessary to form the hereinafter described pooled unit are necessary and advisable in the judgment of Rex to efficiently and effectively develop the oil and gas rights within such unit; and

WHEREAS, Rex are the interest owners of the gas well(s) in the pooled unit and execute this document on behalf of itself and as agent for all interest owners in the leases to the extent that they do not separately join in the execution hereof;

NOW, THEREFORE, in order to establish and provide proper notice of the creation of the hereinafter described pool or unit, the undersigned hereby declares as follows:

1. In accordance with the provisions of the Leases, the undersigned do hereby declare, pool, unitize and combine the Leases, including all renewals, extensions, ratifications and amendments thereof, and the lands covered thereby and the oil and gas estates therein, to the extent necessary to form and create a pooled unit as described below. Production from the unit shall be allocated among all of the Leases and tracts within the unit in the proportion that the number of surface acres of each tract included within the unit bears to the total number of surface acres in the unit as described in Exhibit A.
2. The pooled unit created hereby shall be known as the Renick SW Unit (the "Unit").
3. The Unit shall consist of 1059.56359 acres, more or less, being all or a portion of the Leases listed on Exhibit A, insofar and only insofar as the Leases fall within the boundary more particularly depicted on Exhibit B which is attached hereto and incorporated herein by reference for all purposes. This Declaration of Pooling and Unitization covers all production from the lands described on Exhibits A and B which is produced from any well drilled within the Unit. To the extent of any inconsistency between the information contained on Exhibit A and that depicted on Exhibit B, Exhibit A shall supersede and control.
4. The effect of this Declaration of Pooling and Unitization shall be that operations and/or production (or the equivalent as in the case of shut-in payments) anywhere within the Unit

shall be deemed to be operations and/or production on each separate tract sufficient to extend and maintain each Lease in the Unit.

5. The undersigned hereby expressly reserves the right, from time to time, to amend this Declaration of Pooling and Unitization, and the respective terms and provisions hereof, and to change the size and area of, and interests covered by the Unit, including without limitation, the power (i) to change, reduce, enlarge or extend the size or configuration of the unit, (ii) to include in the Unit additional lands and oil and gas leases, or interests in the lands described therein, covering interests in the Unit, which are secured or obtained subsequent to the date hereof, or prior to the date hereof and not included and described herein, (iii) to include in the Unit full or undivided interests in the Unit which are not otherwise included herein by the respective owner of such full or undivided interests, and (iv) to change the allocation of said oil and gas production attributable to the various lands, leases and owners thereof to conform with (i), (ii) and (iii) above.
6. The Unit formed hereby may be dissolved by R.E. Gas Development, LLC, acting as the Operator of the Unit, at any time by filing an appropriate instrument of record in Butler County, Pennsylvania, after any failure to establish unit production or after cessation of operations upon the Unit.
7. This instrument shall bind, inure to the benefit of, and be exercised by heirs, assigns and successors in interest of all parties.
8. The Unit shall remain in force from the effective date listed hereinabove and for as long as oil and gas are being produced from the Unit, or so long as the Leases are maintained in force and effect by payment or tender of shut-in royalties, or by other means, in accordance with the terms and provisions of the Leases.

This Declaration of Pooling and Unitization may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.

EXECUTED by the undersigned to be effective as of the date first above written.
