(f) All rights, estates, powers and privileges appurtenant to the foregoing rights, interests and properties;

TO HAVE AND TO HOLD (a) the Deed of Trust Mortgaged Properties unto the Trustee, and its successors or substitutes in this trust, and to its or their successors and assigns, in trust, for the benefit of the Mortgagee and the holders of the "secured obligations" as described in Section 1.4 hereof, however, upon the terms, provisions and conditions herein set forth, and (b) the Other Mortgaged Properties unto Mortgagee, and Mortgagee's successor and assigns, for the benefit of the Mortgagee and the holders of the "secured obligations" as described in Section 1.4 hereof, upon the terms, provisions and conditions herein set forth (the Deed of Trust Mortgaged Properties and the Other Mortgaged Properties are herein sometimes collectively called the "Mortgaged Properties").

PROVIDED that the Mortgaged Property shall in no event include any Excluded Property. As used herein, the term "Excluded Property" shall mean:

(a) any lease, license, permit, contract, property right or agreement to which the Mortgagor is a party or any of the Mortgagor's rights or interests thereunder if and only for so long as the grant of a lien thereon shall (i) give any other person party to such lease, license, permit, contract, property rights or agreement the right to terminate its obligations thereunder, (ii) constitute or result in the abandonment, invalidation or unenforceability of any right, title or interest of the Mortgagor therein or (iii) constitute or result in a breach or termination pursuant to the terms of, or a default under, any such lease, license, permit, contract, property rights or agreement, in each case after taking into account the provisions of Section 9-406, 9-407, 9-408 or 9-409 of the UCC (or any successor provision or provisions); provided that such lease, license, permit, contract, property right or agreement shall be Excluded Property only to the extent and for long as the consequences specified above in subclauses (i) through (iii) of this clause (a) shall exist and shall cease to be Excluded Property and shall become subject to the liens granted under this instrument, immediately and automatically, at such time as such consequences shall no longer exist;

(b) any equipment (as such term is defined in the UCC) owned by the Mortgagor that is subject to a purchase money lien or a capitalized lease permitted under the Collateral Agency and Intercreditor Agreement if the contract or other agreement in which such lien is granted (or in the documentation providing for such capitalized lease) prohibits or requires the consent of any person other than the Mortgagor as a condition to the creation

of any other lien on such equipment, but only, in each case, to the extent, and for so long as, the indebtedness secured by the applicable lien or the capitalized lease has not been repaid in full or the applicable prohibition (or consent requirement) has not otherwise been removed or terminated;

(c) any real property interests which are acquired by the Mortgagor if and to the extent that the Mortgagee at the written direction of the Required Secured Parties (as defined in the Collateral Agency and Intercreditor Agreement) shall have reasonably determined that the costs (including recording taxes and filing fees) of creating and perfecting a lien on such real property interests are excessive in relation to the value of the security afforded thereby;

(d) a portion of Mortgagor's rights and interests in each lease equal to the percentage necessary to allow Mortgagor to grant up to five percent (5%) proportionately reduced ORRIs (as defined in the Royalty Agreements (as defined in the Collateral Agency and Intercreditor Agreement)) as required by the Royalty Agreements as in effect on the date hereof and any modifications thereto that do not materially expand the Excluded Property herein; and

(e) three percent (3%) on an 8/8ths basis of each lease or portion thereof owned by Mortgagor that, prior to the date of this Mortgage, has not been made subject to a conveyance in respect of the Founder Well Participation Program of Chesapeake Energy Corporation (an "FWPP Conveyance");

provided that none of the Excluded Property described in the foregoing in clause (a) or (b) shall be subject to any other liens or security interests, except as described in such clauses.

Section 1.2 Grant of Security Interest. In order to further secure the payment of the secured obligations hereinafter referred to and the performance of the obligations, covenants, agreements, warranties, and undertakings of Mortgagor hereinafter described, Mortgagor does hereby grant to Mortgagee a security interest in the entire interest of Mortgagor (whether now owned or hereafter acquired by operation of law or otherwise) in and to the Mortgaged Properties and in and to:

(a) All oil, gas, other hydrocarbons, and other minerals produced from or allocated to the Mortgaged Properties, and any products processed or obtained therefrom (herein collectively called the "Production"), together with all proceeds of Production (regardless of whether Production to which such proceeds relate occurred on or before or after the date hereof), and together with all liens, privileges and security interests securing payment of the proceeds of the Production, including, but not limited to, those liens, privileges and security interests provided for under (i) statutes enacted in the jurisdictions in which the Mortgaged Properties are located, or (ii) statutes made applicable to the Mortgaged Properties under federal law (or some combination of federal and state law);

(b) Without limitation of any other provisions of this Section 1.2, all payments received in lieu of Production from the Mortgaged Properties (regardless of whether such payments accrued, and/or the events which gave rise to such payments occurred, on or before or after the date hereof), including, without limitation, "take or pay" payments and similar payments, payments received in settlement of or pursuant to a judgment rendered with respect to take or pay or similar obligations or other obligations under a production sales contract, payments received in buyout or buydown or other settlement of a production sales contract, and payments received under a gas balancing or similar agreement as a result of (or received otherwise in settlement of or pursuant to judgment rendered with respect to) rights held by Mortgagor as a result of Mortgagor (and/or its predecessors in title) taking or having taken less gas from lands covered by any of the Mortgaged Properties (or lands pooled or unitized therewith) than their ownership of such Mortgaged Property would entitle them to receive (the payments described in this subsection (b) being herein called "Payments in Lieu of Production");

(c) All equipment, inventory, improvements, fixtures, accessions, goods and other personal property or movable property of whatever nature now or hereafter located on or used or held for use in connection with the Mortgaged Properties (or in connection with the operation thereof or the treating, handling, storing, processing, transporting, or marketing of Production), and all licenses and permits of whatever nature now or hereafter used or held for use in connection with the Mortgaged Properties (or in connection with the operation thereof or the treating, handling, storing, processing, transporting, or marketing of Production), and all renewals or replacements of the foregoing or substitutions for the foregoing, provided that, notwithstanding the foregoing, Mortgagor does not grant Mortgagee a security interest in any "building" or "mobile home", as those terms are defined in the National Flood Insurance Act of 1968 as amended (42 U.S.C. 4001-4129) or any regulations promulgated thereunder;

(d) All accounts, receivables, contract rights, choses in action (*i.e.*, rights to enforce contracts or to bring claims thereunder), commercial tort claims, and other general intangibles of whatever nature (regardless of whether the same arose, and/or the events which gave rise to the same occurred, on or before or after the date hereof) related to the Mortgaged Properties, the operation thereof (whether Mortgagor is operator or non-operator), or the treating, handling, separation, stabilization, storing, processing, transporting, gathering or marketing of Production (including, without limitation, any of the same relating to payment of proceeds of Production or to payment of amounts which could constitute Payments in Lieu of Production);

(e) All geological, geophysical, engineering, accounting, title, legal, and other technical or business data concerning the Mortgaged Properties, the Production or any other item of the Mortgaged Properties (as hereinafter defined) which are now or hereafter in the possession of Mortgagor or in which Mortgagor can otherwise grant a security interest, and all books, files, records, magnetic media, software and other forms of recording or obtaining access to such data;

(f) All money, documents, instruments, chattel paper (including, without limitation, electronic chattel paper and tangible chattel paper), securities, accounts,

payment intangibles or general intangibles, letters of credit, letter-of-credit rights, supporting obligations and rights to payment of money arising from or by virtue of any transaction (regardless of whether such transaction occurred on or before or after the date hereof) related to the Mortgaged Properties, the Production or any other item of property (all of the properties, rights and interests described in subsections (a), (b), (c), (d) and (e) above and this subsection (f) being herein sometimes collectively called the "Mortgage Collateral"); and

(g) All proceeds of the Mortgage Collateral, whether such proceeds or payments are goods, money, documents, instruments, chattel paper, securities, accounts, payment intangibles, general intangibles, fixtures, real/immovable property, personal/movable property or other assets (the Mortgaged Properties, the Mortgage Collateral and the proceeds of the Mortgaged Properties and the Mortgage Collateral being herein sometimes collectively called the "Mortgaged Properties");

PROVIDED that the Mortgaged Property shall in no event include any Excluded Property.

Except as otherwise expressly provided in this Mortgage, all terms in this Mortgage relating to the Mortgage Collateral and the grant of the foregoing security interest which are defined in the Uniform Commercial Code, as adopted in the Choice of Law State (as such term is defined herein) (the "UCC") shall have the meanings assigned to them in Article 9 (or, absent definition in Article 9, in any other Article) of the UCC, as those meanings may be amended, revised or replaced from time to time. Notwithstanding the foregoing, the parties intend that the terms used herein which are defined in the UCC have, at all times, the broadest and most inclusive meanings possible. Accordingly, if the UCC shall in the future be amended or held by a court to define any term used herein more broadly or inclusively than the UCC in effect on the date of this Mortgage, then such term, as used herein, shall be given such broadened meaning. If the UCC shall in the future be amended or held by a court to define any term used herein more narrowly, or less inclusively, than the UCC in effect on the date of this Mortgage, such amendment or holding shall be disregarded in defining terms used in this Mortgage. For purposes of this paragraph, "Choice of Law State" means the state whose laws govern with respect to procedural and substantive matters relating to the creation of the security interest granted hereby in accordance with the choice of law provision set forth in Section 5.24 hereof.

Section 1.3 Transaction Documents, Other Obligations. This Mortgage is made to secure and enforce the payment and performance of each of the following, obligations, indebtedness and liabilities:

(a) All indebtedness, all payment obligations, including Termination Payments (as defined in the Collateral Agency and Intercreditor Agreement), and other obligations of Mortgagor now or hereafter incurred or arising pursuant to the provisions of the Collateral Agency and Intercreditor Agreement dated as of even date herewith by and among Mortgagor, Deutsche Bank Trust Company Americas, in its capacity as the collateral agent (the "Collateral Agent"), Citibank, N.A. and the other Commodity Hedge Counterparties (as defined in the Collateral Agency and Intercreditor Agreement) and the other Secured Debt Representatives from time to time party thereto, and all supplements thereto and amendments or modifications thereof, and all agreements given in

substitution therefor or in restatement, renewal or extension thereof, in whole or in part (such Collateral Agency and Intercreditor Agreement, and as the same may from time to time be supplemented, amended or modified, and all other agreements given in substitution therefor or in restatement, renewal or extension thereof, in whole or in part, being herein called the "Collateral Agency and Intercreditor Agreement");

(b) All payment obligations, including Termination Payments (as defined in the Collateral Agency and Intercreditor Agreement), all indebtedness and other obligations of Mortgagor now or hereafter incurred or arising pursuant to the Secured Commodity Hedges (as defined in the Collateral Agency and Intercreditor Agreement) from time to time entered into by the Mortgagor (including all master agreements governing such Secured Commodity Hedges together with all confirmations delivered pursuant to such master agreements); all other supplements, and amendments or modifications thereto; all agreements given in substitution therefor or in restatement, renewal or extension thereof, in whole or in part;

(c) All payment obligations, all indebtedness and other obligations of Mortgagor now or hereafter incurred or arising pursuant to the Debt Agreements (as defined in the Collateral Agency and Intercreditor Agreement) from time to time entered into by the Mortgagor; all other supplements, and amendments or modifications thereto; all agreements given in substitution therefor or in restatement, renewal or extension thereof, in whole or in part;

(d) All payment obligations and all indebtedness, obligations and liabilities of Mortgagor now or hereafter incurred (including, without limitation, future obligations) or arising pursuant to the provisions of this Mortgage, any other "Financing Document" as defined in the Collateral Agency and Intercreditor Agreement, or any other instrument now or hereafter evidencing, governing, guaranteeing or securing the "secured obligations" (as hereinafter defined) or any part thereof or otherwise executed in connection with any obligation or indebtedness evidenced or governed by the Collateral Agency and Intercreditor Agreement (the Collateral Agency and Intercreditor Agreement, the Secured Commodity Hedges, the Debt Agreements, this Mortgage, the other Financing Documents and such other instruments and agreements being herein sometimes collectively called the "Transaction Documents");

(e) Without limiting the generality of the foregoing, all post-petition interest, expenses, and other duties and liabilities with respect to payment obligations, indebtedness or other obligations described above in this Section 1.3, which would be owed but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization, or similar proceeding.

Section 1.4 Secured Obligations. The obligations referred to in Section 1.3, and all renewals, extensions and modifications thereof, and all substitutions therefor, in whole or in part, are herein sometimes referred to as the "secured obligations" or the "obligations secured hereby." The holder of any secured obligation is hereinafter referred to as a "Holder." It is contemplated and acknowledged that the secured obligations may include obligations hereafter arising under any of the Transaction Documents and that this Mortgage shall have effect, as of

the date hereof, to secure all secured obligations, regardless of whether any amounts exist on the date hereof or arise on a later date or, whether having arisen, are later repaid in part or in whole and further obligations arise at a later date.

Section 1.5 Limit on Secured Obligations. It is the intention of Mortgagor (in this Section 1.5 called "Grantor") and Mortgagee and the Trustee that this Mortgage not constitute a fraudulent transfer or fraudulent conveyance under any state or federal law that may be applied hereto. Each of Grantor and, by its acceptance hereof, Mortgagee and the Trustee hereby acknowledges and agrees that, notwithstanding any other Section of this Mortgage, the amount of obligations secured by Grantor hereunder shall be limited to the maximum amount of obligations that can be secured by Grantor hereunder without rendering this Mortgage voidable under applicable law relating to fraudulent conveyances or fraudulent transfers with respect to Grantor. For the avoidance of doubt, any determination concerning a limitation or reduction of the amount that can be secured under this Mortgage under this Section 1.5 shall take into account the protections from avoidance to which this Mortgage is entitled pursuant to the Bankruptcy Code, including, without limitation, pursuant to Sections 546, 556, 560 and 561 of the United States Bankruptcy Code (the "Bankruptcy Code").

Section 1.6 Swap Agreement. Mortgagor intends, agrees and acknowledges that each of the Secured Commodity Hedges, and the Collateral Agency and Intercreditor Agreement and the other Collateral Documents each constitutes a "swap agreement" as that term is defined in Section 101(53B) of the Bankruptcy Code, a "forward contract" as that term is defined in Section 101(25) of the Bankruptcy Code, a "master netting agreement" as that term is defined in Section 101(38A), or another protected derivative contract under provisions of the Bankruptcy Code, and, accordingly, Mortgagor intends, agrees and acknowledges that this Mortgage (a) is a "Credit Support Document" under each Master Agreement and (b) is with respect to the Secured Commodity Hedges a "swap agreement," a "forward contract," a "master netting agreement," or another protected derivative contract under provisions of the Bankruptcy Code, and as such is entitled to all of the rights, benefits and protections afforded to such agreements under the Bankruptcy Code and other applicable law. Without limiting the foregoing, as they pertain to the Secured Commodity Hedges, any rights and remedies contained in this Mortgage or any of the other Collateral Documents relating to this Mortgage is in each case a contractual right to cause the termination, liquidation, or acceleration of such an agreements, or to offset net termination values, payment amounts or other transfer obligations, as described in, among other provisions, Sections 560, 556, and 561 of the Bankruptcy Code.

Section 1.7 West Virginia Credit Line Deed of Trust/Future Obligations: Maturity.

(a) This Deed of Trust is a "Credit Line Deed of Trust". Any and all future obligations under this Deed of Trust and the Transaction Documents shall have the same priority as if the future obligations were made on the date that this Deed of Trust was recorded. The future obligations to be secured by this Deed of Trust are obligatory for purposes of West Virginia Code § 38-1-14. This Deed of Trust secures payment of all secured obligations hereinbefore described, as well as all future obligations in an aggregate principal amount not to exceed the sum of five hundred million dollars (\$500,000,000) with respect to the properties located in West Virginia, without regard to

whether such future obligations have been contracted for at the time of recording this Deed of Trust or whether the secured parties under this credit line deed of trust have readvanced principal sums repaid. This credit line deed of trust is also security for interest on the principal sums and for taxes, insurance premiums, and other obligations, including interest thereon, undertaken by the secured parties under this credit line deed of trust or in related facility agreement, hedge agreements, notes or other evidences of indebtedness secured hereby, which interest, taxes, insurance premiums and other obligations, when added to the total principal amount of the secured obligations outstanding at any time, may increase the amount secured by this Deed of Trust, above the foregoing stated maximum amount.

(b) With respect to properties in West Virginia, this instrument shall not have a maturity date, except for any maturity or expiration date prescribed by statute in West Virginia (which, as of the date hereof, establish an expiration date of 35 years after the date hereof and allow such expiration date to be extended by affidavit).

Section 1.8 Pennsylvania Specific Provisions.

(a) This Mortgage shall be an Open-End Mortgage in accordance with Sections 8143 and 8144 of 42 Pa. C.S.A. and it is understood and agreed that this Mortgage is intended to secure balances of advances or other obligations that may be made after this Mortgage is delivered to the recorder for recordation. The maximum value of the unpaid balances of such advances or other obligations that in the aggregate, exclusive of interest, may be outstanding at any time pursuant to this provision is five hundred million dollars (\$500,000,000) with respect to the properties located in Pennsylvania; provided, however, that the Mortgagee, acting at the written direction of the Required Secured Parties, may make additional advances pursuant to the provisions of this Mortgage to protect the Mortgaged Properties, the lien of this Mortgage or otherwise, including, but not limited to, advances to pay taxes, assessments, insurance premiums, and all other amounts that the Mortgagor has agreed to pay pursuant to the provisions hereof or that the Mortgagee has incurred by reason of the occurrence of a default which shall also be secured by this Mortgage.

(b) The written notices provided for in Section 8143 of 42 Pa. C.S.A. from a person claiming priority of a lien or encumbrance over the lien of this Mortgage for any future advances made under any Transaction Document shall be sent to Mortgagee by certified mail, postage prepaid, return receipt requested at the address set forth on the signature pages hereto.

Section 1.9 Ohio Specific Provisions.

(a) This Mortgage is an "Open-End Mortgage" as set forth in Ohio Revised Code Section 5301.232 and secures all secured indebtedness (not only existing indebtedness, but also future indebtedness, obligations and future advances) up to a maximum principal amount of five hundred million dollars (\$500,000,000) with respect to the properties located in Ohio, plus accrued and unpaid interest, fees, costs and expenses as provided herein, which obligations shall include, but are not limited to,

advances for the payment of taxes and municipal assessments, maintenance charges, insurance premiums, costs incurred for the protection of the Mortgaged Property or the lien of this Mortgage, expenses incurred by Mortgagee by reason of any Event of Default or circumstance, which with the passage of time, or giving of notice, or both, would constitute an Event of Default, including, without limitation, legal fees and costs, and advances for construction, alteration or renovation on the Mortgaged Property, together with all other sums due hereunder or secured hereby.

(b) The written notices provided for in Ohio Revised Code Section 5301.232 from a person claiming priority of a lien or encumbrance over the lien of this Mortgage for any future advances made under any Transaction Document shall be sent to Mortgagee by certified mail, postage prepaid, return receipt requested at the address set forth on the signature pages hereto.

As of the date hereof and as of each Utilization Test Date (as defined in the Citibank Hedge Agreement, which term is defined in the Collateral Agency and Intercreditor Agreement) Mortgagor has, and Mortgagor covenants to maintain, good and defensible title to the Mortgaged Properties, free and clear of all liens, privileges, security interests, and encumbrances except for (i) the contracts, agreements, burdens, encumbrances and other matters set forth in the descriptions of certain of the Mortgaged Properties on Exhibit A hereto, (ii) the liens and security interests evidenced by this Mortgage or created under or pursuant to the Collateral Documents, (iii) statutory liens for taxes which are not yet delinquent or which are being contested in good faith by appropriate proceedings, (iv) liens under operating agreements, pooling orders and unitization agreements, and mechanics' and materialmen's liens, with respect to obligations which are not yet due or which are being contested in good faith by appropriate proceedings, (v) statutory liens related to the purchase of crude oil in the ordinary course of business, (vi) statutory liens or privileges with respect to obligations not yet due or which are being contested in good faith by appropriate proceedings, (vii) liens, security interests and encumbrances on Mortgagor's interest in properties that are Excluded Properties pursuant to clauses (d) and (e) of the definition of "Excluded Properties", and (viii) other liens and security interests (if any) in favor of Mortgagee or Trustee (the matters described in the foregoing clauses (i), (ii), (iii), (iv), (v), (vi), (vii) and (viii) being herein called the "Permitted Encumbrances"; provided that no intent to subordinate the first priority of the liens created hereby is intended or inferred); Mortgagor will warrant and defend title to the Mortgaged Properties, subject as aforesaid, against the claims and demands of all persons claiming or to claim the same or any part thereof.

With respect to each of the Mortgaged Properties as of the date hereof, the ownership of Mortgagor in such Mortgaged Property does and will, (i) with respect to

each tract of land described in Exhibit A and/or Schedule I hereto, (whether described directly in such Exhibit A and/or Schedule I or described by reference to another instrument) in connection with such Mortgaged Property, (A) entitle Mortgagor to receive (subject to the terms and provisions of this Mortgage) a decimal or percentage share of the oil, gas and other hydrocarbons produced from, or allocated to, such tract equal to not less than the decimal or percentage share set forth in Schedule I in connection with such tract in the column headed "NRI", (B) cause Mortgagor to be obligated to bear a decimal or percentage share of the cost of exploration, development and operation of such tract of land not greater than the decimal or percentage share set forth in Schedule I in connection with such tract in the column headed "WI", and (ii) if such Mortgaged Property is shown on Schedule I to be subject to a unit or units, with respect to each such unit, (A) entitle Mortgagor to receive (subject to the terms and provisions of this Mortgage) a decimal or percentage share of all substances covered by such unit which are produced from, or allocated to, such unit equal to not less than the decimal or percentage share set forth in Schedule I in connection with such Mortgaged Property in connection with such tract in the column headed "NRI", (and if such Mortgaged Property is subject to more than one unit, words identifying such interest with such unit), and (B) obligate Mortgagor to bear a decimal or percentage share of the cost of exploration, development and operation of such unit not greater than the decimal or percentage share set forth in Schedule I in connection with such tract in the column headed "WI", (and if such Mortgaged Property is subject to more than one unit, words identifying such interest with such unit). With respect to each Mortgaged Property described in Exhibit A and/or Schedule I hereto (or in any of the instruments described or referred to in Exhibit A and/or Schedule I) which is subject to a voluntary or involuntary pooling, unitization or communitization agreement and/or order, the term "tract of land" as used in this Section 2.1(a) shall mean the pooled, unitized or communitized area as an entirety and shall not be deemed to refer to any individual tract committed to said pooled, unitized or communitized area. Without limitation of the foregoing, the ownership by Mortgagor of the Mortgaged Properties does and will, with respect to each well or unit identified on Schedule I attached hereto and made a part hereof, entitle Mortgagor to receive (subject to the terms and provisions of this Mortgage) a decimal or percentage share of the oil, gas and other hydrocarbons produced from, or allocated to, such well or unit equal to not less than the decimal or percentage share set forth, for such well or unit, in the column headed "NRI" on Schedule I, and cause Mortgagor to be obligated to bear a decimal or percentage share of the cost of operation of such well or unit equal to not more than the decimal or percentage share set forth, for such well or unit, in the column headed "WI" on Schedule I.

With respect to each of the Mortgaged Properties as of each Utilization Test Date (as defined in the Citibank Hedge Agreement, which term is defined in the Collateral Agency and Intercreditor Agreement), the ownership of Mortgagor in the Mortgaged Property does and will comport with the representations set forth in the preceding paragraph; provided that each reference to Schedule I and Exhibit A shall be deemed to be a reference to the most recently delivered Reserve Report (as defined in the Citibank Hedge Agreement, which term is defined in the Collateral Agency and Intercreditor Agreement).

The above-described shares of Production which Mortgagor is entitled to receive and shares of expenses which Mortgagor is obligated to bear are not and will not be subject to change (other than changes which arise pursuant to non consent provisions of operating agreements described in Exhibit A in connection with operations hereafter proposed), except, and only to the extent that, such changes are reflected in Exhibit A and/or Schedule I, as the case may be.

Any fractional, percentage or decimal interests specified in Exhibit A and/or Schedule I in referring to Mortgagors' interest in the Mortgaged Property are solely for the purposes of the warranties set forth above and shall in no manner limit the quantum of the interests of the Mortgagor in the Mortgaged Property pledged by the Mortgagor hereunder.

There is not and will not be any unexpired financing statement covering any part of the Mortgaged Property on file in any public office naming any party other than Mortgagee or Trustee as secured party except in connection with Permitted Encumbrances. Without limiting the obligations of Mortgagor to provide title diligence materials set forth in the applicable Secured Swap Agreement or Debt Agreement, to the extent it is determined that the information set forth in Exhibit A, Schedule I or the relevant Reserve Report is deficient, upon request by Mortgagee, acting at the written direction of the Required Secured Parties, Mortgagor will deliver to Mortgagee schedules of all internal and third party information identifying the Mortgaged Properties (such as, for example, lease names and numbers assigned by Mortgagor or the operator of any of the Mortgaged Properties, well and/or unit and/or property names and numbers assigned by purchasers of Production, and internal identification names and numbers used by Mortgagor in accounting for revenues, costs, and joint interest transactions attributable to the Mortgaged Properties).

(b) Leases and Contracts; Performance of Obligations. The oil, gas and/or mineral leases, contracts, servitudes and other agreements forming a part of the Mortgaged Properties, to the extent the same cover or otherwise relate to the Mortgaged Properties, are in full force and effect, and Mortgagor agrees to maintain them in full force and effect. All rents, royalties and other payments due and payable under such leases, contracts, servitudes and other agreements, or under the Permitted Encumbrances, or otherwise attendant to the ownership or operation of the Mortgaged Properties, have been, and will continue to be, properly and timely paid. Mortgagor is not in default with respect to Mortgagors' obligations (and Mortgagor is not aware of any default by any third party with respect to such third party's obligations) under such leases, contracts, servitudes and other agreements, or under the Permitted Encumbrances, or otherwise attendant to the ownership or operation of any part of the Mortgaged Properties, where such default could adversely affect the ownership or operation of the Mortgaged Properties; Mortgagor will fulfill all such obligations coming due in the future. Mortgagor is not currently accounting (and will not hereafter agree to account) for any royalties, or overriding royalties or other payments out of Production, on a basis (other than delivery in kind) less favorable to Mortgagor than proceeds received by Mortgagor (calculated at the well) from sale of Production, and there are no situations where

Mortgagor is aware that a contingent liability may exist to account on a basis other than on the basis of proceeds received by Mortgagor (calculated at the well).

(c) Sale of Production. None of the Mortgaged Properties are or will become subject to any contractual or other arrangement (i) whereby payment for Production is or can be deferred for a substantial period after the month in which such Production is delivered (*i.e.*, in the case of oil, not in excess of sixty (60) days, and in the case of gas, not in excess of ninety (90) days) or (ii) whereby payments are made to Mortgagor other than by checks, drafts, wire transfer advises or other similar writings, instruments or communications for the immediate payment of money. Except for production sales contracts, processing agreements or transportation agreements (or other agreements relating to the marketing of Production) entered into in the ordinary course of business (in connection with the Mortgaged Properties to which they relate), (i) none of the Mortgaged Properties are or will become subject to any contractual or other arrangement for the sale, processing or transportation of Production (or otherwise related to the marketing of Production) which cannot be cancelled on one hundred twenty (120) days' (or less) notice and (ii) all contractual or other arrangements for the sale, processing or transportation of Production (or otherwise related to the marketing of Production) shall be either (A) bona fide arm's length transactions with third parties not affiliated with Mortgagor and shall be at the market price (and on market terms) (such price shall, in the case of Production sales which are subject to price controls, be determined giving consideration to such fact) or (B) pursuant to contractual or other arrangements terminable by the Mortgagor (or the Mortgagee or Trustee or any purchaser of any one or more of the Mortgaged Properties) without penalty upon not more than thirty (30) days' notice, on terms no less favorable to Mortgagor than those available in bona fide arm's length transactions with third parties not affiliated with Mortgagor and at the market price (and on market terms). Mortgagor is presently receiving a price for all Production from (or attributable to) each of the Mortgaged Properties covered by a production sales contract as computed in accordance with the terms of such contract, and is not having deliveries of Production from any of such Mortgaged Properties curtailed by such purchaser substantially below such property's delivery capacity. Neither Mortgagor, nor any of its predecessors in title, has received prepayments (including, but not limited to, payments for gas not taken pursuant to "take or pay" or other similar arrangements) for any oil, gas or other hydrocarbons produced or to be produced from the Mortgaged Properties after the date hereof, and Mortgagor hereby covenants not to enter into any such advance or prepayment arrangements whereby it accepts consideration for oil, gas or other hydrocarbons not yet produced. None of the Mortgaged Properties are or will become subject to any "take or pay" or other similar arrangement (i) which can be satisfied in whole or in part by the production or transportation of gas from other properties or (ii) as a result of which Production from the Mortgaged Properties may be required to be delivered to one or more third parties without payment (or without full payment) therefor as a result of payments made, or other actions taken, with respect to other properties. None of the Mortgaged Properties are subject at the present time to any regulatory refund obligation and, to the best of Mortgagors' knowledge, no facts exist which might cause the same to be imposed.

(d) Condition of Personal or Movable Property. The equipment, inventory, improvements, fixtures, goods and other tangible personal/movable property forming a part of the Mortgaged Properties are and will remain in good repair and condition and are and will be adequate for the normal operation of the Mortgaged Properties in accordance with prudent industry standards; all of such Mortgaged Property is, and will remain, located on the Mortgaged Properties, except for that portion thereof which is or shall be located elsewhere (including that usually located on the Mortgaged Properties but temporarily located elsewhere) in the course of the normal operation of the Mortgaged Properties.

(e) Operation of Mortgaged Properties. The Mortgaged Properties (and properties unitized therewith) are being (and, to the extent the same could adversely affect the ownership or operation of the Mortgaged Properties after the date hereof, have in the past been), and hereafter will be, maintained, operated and developed in a good and workmanlike manner, in accordance with prudent industry standards and in conformity with all applicable laws and all rules, regulations and orders of all duly constituted authorities having jurisdiction and in conformity with all oil, gas and/or other mineral leases and other contracts and agreements forming a part of the Mortgaged Properties and in conformity with the Permitted Encumbrances; specifically in this connection, none of the wells located on the Mortgaged Properties (or properties unitized therewith) are or will be deviated from the vertical more than the maximum permitted by applicable laws, regulations, rules and orders, and such wells are, and will remain, bottomed under and producing from, with the well bores wholly within, the Mortgaged Properties (or, in the case of wells located on properties unitized therewith, such unitized properties). There are no dry holes, or otherwise inactive wells, located on the Mortgaged Properties or on lands pooled or unitized therewith, with respect to which Mortgagor has failed to comply with applicable laws, regulations, rules and orders relating to the proper plugging and abandonment thereof. Mortgagor has, and will have in the future, all governmental licenses and permits necessary or appropriate to own and operate the Mortgaged Properties; Mortgagor has not received notice of any material violations in respect of any such licenses or permits.

(f) Ad Valorem and Severance Taxes. Mortgagor has paid and discharged, and will continue to pay and discharge, all ad valorem taxes assessed against the Mortgaged Properties or any part thereof and all production, severance and other taxes assessed against, or measured by, the Production or the value, or proceeds, of the Production.

(g) Suits and Claims. There are no material suits, actions, claims, investigations, inquiries, proceedings or demands pending (or, to Mortgagors' knowledge, threatened) which affect the Mortgaged Properties (including, without limitation, any which challenge or otherwise pertain to Mortgagors' title to the Mortgaged Properties) and, except as disclosed in the Collateral Agency and Intercreditor Agreement or could not reasonably be expected to have a material adverse effect on (a) the business, property, operations, condition (financial or otherwise), results of operations of Mortgagor or prospects of Mortgagor or (b) the validity or enforceability of this Mortgage or any other Transaction Document or the rights and remedies of

Mortgagee or any holder of any secured obligation, no judicial or administrative actions, suits or proceedings pending (or, to Mortgagors' knowledge, threatened) against Mortgagor.

(h) Environmental. The Mortgaged Properties and Mortgagor are not in violation of Applicable Environmental Laws (below defined), or subject to any existing, pending or, to the best knowledge of Mortgagor, threatened investigation or inquiry by any governmental authority or any other person under or with respect to Applicable Environmental Laws, or subject to any remedial obligations under Applicable Environmental Laws, and are in compliance with all permits and licenses required under Applicable Environmental Laws. "Applicable Environmental Laws" shall mean any applicable laws, orders, rules, or regulations pertaining to safety, health or the environment, as such laws, orders, rules or regulations now exist or are hereafter enacted and/or amended. The "Associated Property" (as such term is hereinafter defined) is not in violation of any Applicable Environmental Laws for which Mortgagor or its predecessors in the Property would be responsible. The term "Associated Property" as used in this Mortgage shall mean any and all interests in and to (and or carved out of) the lands which are described or referred to in Exhibit A hereto, or which are otherwise described in any of the oil, gas and/or mineral leases or other instruments described in or referred to in such Exhibit A, whether or not such property interests are owned by Mortgagor. Mortgagor will not cause or permit the Mortgaged Properties or the Associated Property or Mortgagor to be in violation of, or do anything or permit anything to be done or fail to do anything which will subject the Mortgaged Properties or the Associated Property to any remedial obligations under, or result in noncompliance with applicable permits and licenses under, any Applicable Environmental Laws, assuming disclosure to the applicable governmental authorities of all relevant facts, conditions and circumstances, if any, pertaining to the Mortgaged Properties or the Associated Property. Mortgagor will take all steps necessary to determine that no hazardous substances or solid wastes have been disposed of or otherwise released on or to the Mortgaged Properties or the Associated Property. Mortgagor will not cause or permit the disposal or other release of any hazardous substance or solid waste at, into, upon or under the Mortgaged Properties or the Associated Property and covenants and agrees to keep or cause the Mortgaged Properties and/or the Associated Property to be kept free of any hazardous substance or solid waste (except such use, and temporary storage in anticipation of use, as is required in the ordinary course of business, all while in compliance with Applicable Environmental Laws), and to remove the same (or if removal is prohibited by law, to take whatever action is required by law), promptly upon discovery at its sole expense.

(i) Not Abandon Wells; Participate in Operations. Mortgagor will not, except in accordance with prudent operations of the Mortgaged Properties, abandon, or consent to the abandonment of, any well producing from the Mortgaged Properties (or properties unitized therewith) so long as such well is capable (or is subject to being made capable through drilling, reworking or other operations which it would be commercially feasible to conduct) of producing oil, gas, or other hydrocarbons or other minerals in commercial quantities (as determined without considering the effect of this Mortgage).

(j) Defense of Mortgage. If the validity or priority of this Mortgage or of any rights, titles, liens, privileges or security interests created or evidenced hereby with respect to the Mortgaged Properties or any part thereof or the title of Mortgagor to the Mortgaged Properties shall be endangered or questioned or shall be attacked directly or indirectly or if any legal proceedings are instituted against Mortgagor with respect thereto, Mortgagor will give prompt written notice thereof to Mortgagee and at Mortgagors' own cost and expense will diligently endeavor to cure any defect that may be developed or claimed, and will take all necessary and proper steps for the defense of such legal proceedings, including, but not limited to, the employment of counsel, the prosecution or defense of litigation and the release or discharge of all adverse claims, and Mortgagee and Trustee, or either of them, (whether or not named as a party to legal proceedings with respect thereto), is hereby authorized and empowered to take such additional steps as in their judgment and discretion may be necessary or proper for the defense of any such legal proceedings or the protection of the validity or priority of this Mortgage and the rights, titles, privileges, liens and security interests created or evidenced hereby, including but not limited to the employment of independent counsel, the prosecution or defense of litigation, the compromise or discharge of any adverse claims made with respect to the Mortgaged Properties, the purchase of any tax title and the removal of prior liens or security interests, and all expenditures so made of every kind and character shall be a demand obligation (which obligation Mortgagor hereby expressly promises to pay) owing by Mortgagor to Mortgagee or Trustee (as the case may be) and shall bear interest from the date expended until paid at the rate described in Section 2.3 hereof, and the party incurring such expenses shall be subrogated to all rights of the person receiving such payment.

(k) Fees and Expenses; Indemnity. Mortgagor will reimburse Mortgagee, Trustee and each Holder (for purposes of this paragraph, the terms "Mortgagee", "Trustee" and "Holder" shall include the directors, officers, partners, employees and agents of Mortgagee, Trustee or any Holder, respectively, and any persons or entities owned or controlled by or affiliated with Mortgagee, Trustee or any Holder, respectively) for all expenditures, including reasonable attorneys' fees and expenses, incurred or expended in connection with (i) the breach by Mortgagor of any covenant, agreement or condition contained herein or in any other Transaction Document, (ii) the exercise of any rights and remedies hereunder or under any other Transaction Document, and (iii) the protection of the Mortgaged Properties and/or liens and security interests therein. Mortgagor will indemnify and hold harmless Mortgagee, Trustee and each Holder from and against (and will reimburse such indemnified parties for) all claims, demands, liabilities, losses (other than losses that arise from the position taken by a Holder under a Secured Commodity Hedge (as defined in the Collateral Agency and Intercreditor Agreement or other liabilities and obligations of a Holder under the Transaction Documents)), damages, excluding consequential damages, causes of action, judgments, penalties, costs, fees and expenses (including without limitation reasonable attorneys' fees and expenses) which may be imposed upon, asserted against or incurred or paid by the Mortgagee, Trustee or any Holder on account of, in connection with, or arising out of (A) any bodily injury or death or natural resource, human health or property damage occurring in, at, into, under or upon or in the vicinity of the Mortgaged Properties through any cause whatsoever, (B) any act performed or omitted to be performed hereunder or

under any other Transaction Document or the breach of any representation or warranty herein or in any other Transaction Document, (C) the exercise of any rights and remedies hereunder or under any other Transaction Document, (D) any transaction, act, omission, event or circumstance arising out of or in any way connected with the Mortgaged Properties or with Mortgagors' obligations under this Mortgage or any other Transaction Document, (E) any violation on or prior to the Release Date (as herein defined) of any Applicable Environmental Law, (F) any act, omission, event or circumstance existing or occurring on or prior to the Release Date (including without limitation the presence on or under the Mortgaged Properties or the Associated Property or release at, into, upon, under or from the Mortgaged Properties or the Associated Property of hazardous substances or solid wastes disposed of or otherwise released) resulting from or in connection with the ownership, construction, occupancy, operation, use and/or maintenance of the Mortgaged Properties or the Associated Property, regardless of whether the act, omission, event or circumstance constituted a violation of any Applicable Environmental Law at the time of its existence or occurrence, and (G) any and all claims or proceedings (whether brought by private party or governmental agencies) for human health, bodily injury, property damage, abatement or remediation, environmental damage, cleanup, mitigation, removal, natural resource damage or impairment or any other injury or damage resulting from or relating to any hazardous or toxic substance, solid waste or contaminated material located upon or migrating into, from or through the property or the Associated Property (whether or not the release of such materials was caused by Mortgagor, a tenant or subtenant or a prior owner or tenant or subtenant on the Mortgaged Properties or the Associated Property and whether or not the alleged liability is attributable to the use, treatment, handling, storage, generation, transportation, removal or disposal of such substance, waste or material or the mere presence of such substance, waste or material on or under the Mortgaged Properties or the Associated Property), which Mortgagee, Trustee, and/or any Holder may have liability due to the entering into of Secured Commodity Hedges (as defined in the Collateral Agency and Intercreditor Agreement) under the Collateral Agency and Intercreditor Agreement or any Secured Commodity Hedge or Debt Agreement, the granting of this Mortgage, the exercise of any rights under the Transaction Documents, or otherwise. Mortgagee shall have the right to compromise and adjust any such claims, actions and judgments, and in addition to the rights to be indemnified as herein provided, all amounts paid in compromise, satisfaction or discharge of any such claim, action or judgment, and all court costs, attorneys fees and other expenses of every character expended by Mortgagee, Trustee or any Holder pursuant to the provisions of this Section shall be a demand obligation (which obligation Mortgagor hereby expressly promises to pay) owing by Mortgagor to the applicable party or parties. The "Release Date" as used herein shall mean the earlier of the following two dates: (i) the date of the termination or expiration of the Collateral Agency and Intercreditor Agreement and all Transaction Documents and the payment or repayment of all amounts owing by the Mortgagor thereunder and on which date this Mortgage shall be released of record, or (ii) the date on which the lien of this Mortgage is foreclosed or a deed in lieu of such foreclosure is fully effective and recorded. **WITHOUT LIMITATION, IT IS THE INTENTION OF MORTGAGOR AND MORTGAGOR AGREES THAT THE FOREGOING INDEMNITIES SHALL APPLY TO EACH INDEMNIFIED PARTY WITH RESPECT TO CLAIMS, DEMANDS,**

LIABILITIES, LOSSES (OTHER THAN LOSSES THAT ARISE FROM THE POSITION TAKEN BY A HOLDER UNDER A SECURED COMMODITY HEDGE (AS DEFINED IN THE COLLATERAL AGENCY AND INTERCREDITOR AGREEMENT) OR OTHER LIABILITIES AND OBLIGATIONS OF A HOLDER UNDER THE TRANSACTION DOCUMENTS), DAMAGES, CAUSES OF ACTION, JUDGMENTS, PENALTIES, COSTS, FEES AND EXPENSES (INCLUDING WITHOUT LIMITATION REASONABLE ATTORNEYS' FEES) WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF THE NEGLIGENCE OF SUCH (AND/OR ANY OTHER) INDEMNIFIED PARTY. However, such indemnities shall not apply to any particular indemnified party (but shall apply to the other indemnified parties) to the extent the subject of the indemnification is caused by or arises out of the gross negligence or willful misconduct of such particular indemnified party. The foregoing indemnities shall not terminate upon the Release Date or upon the release, foreclosure or other termination of this Mortgage but will survive the Release Date, foreclosure of this Mortgage or conveyance in lieu of foreclosure, and the repayment of the secured obligations and the discharge and release of this Mortgage and the other documents evidencing and/or securing the secured obligations and the registration or removal of the Mortgagee. Any amount to be paid hereunder by Mortgagor to Mortgagee, Trustee and/or any Holder shall be a demand obligation owing by Mortgagor to the applicable party or parties and shall be subject to and covered by the provisions of Section 2.3 hereof.

(l) Insurance. Mortgagor will maintain with financially sound and reputable insurance companies insurance on all of the Mortgaged Properties in at least such amounts and against at least such risks (but including in any event general liability) as are usually insured against in the same general area by companies engaged in the same or a similar business and in any case no less comprehensive in scope than that maintained by the Mortgagor and its affiliates as of the date hereof and naming the Mortgagee as additional insured. In the event of any loss under any insurance policies so carried by Mortgagor, during the continuance of a default hereunder Mortgagee shall have the right (but not the obligation) to make proof of loss and collect the same, and all amounts so received shall be applied toward costs, charges and expenses (including reasonable attorneys' fees), if any, incurred in the collection thereof, then to the payment of the secured obligations then due, and any balance remaining shall be subject to the order of Mortgagor. During the continuance of a default hereunder Mortgagee is hereby authorized but not obligated to enforce in its name or in the name of Mortgagor payment of any or all of said policies or settle or compromise any claim in respect thereof, and to collect and make receipts for the proceeds thereof and Mortgagee is hereby appointed Mortgagors' agent and attorney-in-fact to endorse any check or draft payable to Mortgagor in order to collect the proceeds of insurance. In the event of foreclosure of this Mortgage, or other transfer of title to the Mortgaged Properties in extinguishment in whole or in part of the secured obligations, all right, title and interest of Mortgagor in all proceeds payable thereunder shall thereupon vest in the purchaser at such foreclosure or other transferee in the event of such other transfer of title.

(m) Eminent Domain. In the event that any proceeding or action is commenced for the taking of the Mortgaged Properties, or any part thereof or interest

therein, for public or quasi-public use under the power of eminent domain, condemnation or otherwise, or if the same is taken or damaged by reason of any public improvement or condemnation proceeding, or in any other manner, or should Mortgagor receive any notice or other information regarding such proceeding, action, taking or damage (including, without limitation, a proposal to purchase the Mortgaged Properties or some portion thereof in lieu of condemnation), Mortgagor shall, during the continuance of a default hereunder, give prompt written notice thereof to Mortgagee (and to Trustee with respect to the Deed of Trust Mortgaged Properties). During the continuance of a default hereunder Mortgagee shall be entitled, at Mortgagee's option, and without any obligation, without regard to the adequacy of its security, to investigate and negotiate with the condemnor concerning the proposed taking, and with or without Trustee to commence, appear in and prosecute in its own name any such action or proceeding. During the continuance of a default hereunder Mortgagee shall also be entitled, but not obligated to make any compromise or settlement in connection with such taking or damage with or without the consent of Mortgagor; provided, however, Mortgagor shall also be entitled to participate in any negotiations, discussions or proceedings relating to any such compromise or settlement. During the continuance of a default hereunder all compensation, awards, damages, rights of action and proceeds awarded to Mortgagor by reason of any such taking or damage (the "Condemnation Proceeds") are hereby assigned to Mortgagee and Mortgagor agrees to execute such further assignments of the Condemnation Proceeds as Mortgagee or Trustee may require. Unless a default (as defined in Section 4.1) has occurred and is continuing at the time of any such taking or damage or at the time of application of the Condemnation Proceeds, such Condemnation Proceeds (after deducting therefrom all costs and expenses (regardless of the particular nature thereof and whether incurred with or without suit), including attorneys' fees and expenses incurred by Mortgagee or Trustee in connection with any such action or proceeding) shall be applied to restoration of such Mortgaged Property in a manner that will make the fair market value of such Mortgaged Property subsequent to such restoration equal or exceed the fair market value of such Mortgaged Property immediately prior to such taking or damage, and any balance of such proceeds shall be paid over to Mortgagor. If notwithstanding the foregoing: (a) any default has occurred and, at the time of such taking or damage or at the time of the application of the Condemnation Proceeds, is continuing, (b) said Condemnation Proceeds (after any claim thereto by the holder of a lien on said property prior to this Mortgage) are not sufficient, as determined by the Required Secured Parties, for repair or restoration of said property, or (c) the damage or taking will materially affect or require change in the contemplated use and operation of the Mortgaged Property then, unless Mortgagor cures such default or Mortgagor provides to Mortgagee for completion of such repair or restoration or Mortgagee consents to the contemplated modification or change to the use and operation of the Mortgaged Property, whichever is applicable, Mortgagee shall have the option (at the written request of the Required Secured Parties), (i) to apply all or any portion of such proceeds to any of the secured obligations in such order as Mortgagee may determine, notwithstanding that such secured obligations may not be due according to the terms hereof or thereof, or (ii) to apply all or any portion of such proceeds to the repair or restoration of said Mortgaged Property, subject to such conditions as Mortgagee shall determine, or (iii) to deliver all or any portion of such proceeds to Mortgagor. Nothing

herein contained shall be deemed to excuse Mortgagor from repairing or maintaining the Mortgaged Property as provided in Section 2.1(d) and (e) hereof or restoring all damage or destruction to the Mortgaged Property, regardless of whether or not there are Condemnation Proceeds available to Mortgagor or whether any such proceeds are sufficient in amount. The application or release of the Condemnation Proceeds as provided herein shall not cure or waive any default or notice of default hereunder or under any other Transaction Document or invalidate any act done pursuant to such notice.

(n) Further Assurances. Mortgagor will, on request of Mortgagee, acting upon the written direction of the Required Secured Parties, (i) promptly correct any defect, error or omission which may be discovered in the contents of this Mortgage, or in any other Transaction Document, or in the execution or acknowledgment of this Mortgage or any other Transaction Document; (ii) execute, acknowledge, deliver and record and/or file such further instruments (including, without limitation, further deeds of trust, mortgages, security agreements, financing statements, continuation statements, and assignments of production, accounts, funds, contract rights, general intangibles, and proceeds) and do such further acts as may be necessary, desirable or proper to carry out more effectively the purposes of this Mortgage and the other Transaction Documents and to more fully identify and subject to the liens and security interests hereof any property intended to be covered hereby, including specifically, but without limitation, any renewals, additions, substitutions, replacements, or appurtenances to the Mortgaged Properties; and (iii) execute, acknowledge, deliver, and file and/or record any document or instrument (including specifically any financing statement) reasonably requested by a Secured Party to protect the lien or the security interest hereunder against the rights or interests of third persons. Mortgagor shall pay all costs and expenses connected with any of the foregoing.

(o) Name, Place of Business, and Taxpayer I.D. Number. Mortgagor will not cause or permit any change to be made in its name, identity, state of formation or corporate, limited liability or partnership structure, or its federal employer identification number unless Mortgagor shall have notified Mortgagee in writing of such change at least thirty (30) days prior to the effective date of such change, and shall have first taken all action reasonably requested by any Secured Party for the purpose of further perfecting or protecting the liens and security interests in the Mortgaged Properties created hereby. Mortgagors' exact name is the name set forth in this Mortgage. The last four digits of the Mortgagors' taxpayer identification number is as set forth in this Mortgage. Mortgagor is a registered organization which is organized under the laws of one of the states comprising the United States (e.g. corporation, limited partnership, registered limited liability partnership or limited liability company). Mortgagor is located (as determined pursuant to the UCC) in the state under which it is organized. The type of registered organization and the jurisdiction of organization are as set forth in Section 1.1 hereof. Mortgagors' principal place of business and chief executive office, and the place where Mortgagor keeps its books and records concerning the Mortgaged Properties (including, particularly, the records with respect to "Production Proceeds", as defined in Section 3.1 hereof, from the Mortgaged Properties) has for the preceding four months, been, and will continue to be (unless Mortgagor notifies Mortgagee of any change in writing at least

thirty (30) days prior to the date of such change), the address set forth on the signature page of this Mortgage.

(p) Not a Foreign Person. Mortgagor is not a "foreign person" within the meaning of the Internal Revenue Code of 1986, as amended (hereinafter called the "Code"), Sections 1445 and 7701 (*i.e.* Mortgagor is not a non-resident alien, foreign corporation, foreign partnership, foreign trust or foreign estate as those terms are defined in the Code and any regulations promulgated thereunder).

(q) Compliance with Laws and Agreements. Mortgagor is in compliance with all governmental requirements applicable to it or its property, including, without limitation, all Applicable Environmental Laws, all FERC regulations and the USA Patriot Act, and all indentures, agreements and other instruments binding upon it or its property. None of the execution and performance of this Mortgage, will violate the Trading with the Enemy Act, as amended, any of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) or any enabling legislation or executive order relating thereto, the Executive Order referred to in the following sentence or the U.S. Bank Secrecy Act (31 U.S.C. §§ 5311 *et seq.*). No Mortgagor is a Person described by Section 1 of Executive Order 13224 of September 24, 2001 entitled Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit or Support Terrorism, 66 Fed. Reg. 49,079 (2001), as amended, and no Mortgagor engages in any transactions or dealings, or is otherwise associated with any such Persons. No Mortgagor is bound by any agreement, document, instrument, judgment, decree, order, statute, law, rule or regulation that limits or could reasonably be expected to limit its performance under any Transaction Document to which Mortgagor is a party.

Section 2.2 Compliance by Operator. As to any part of the Mortgaged Properties which is not a working interest, Mortgagor agrees to take all such action and to exercise all rights and remedies as are available to Mortgagor to cause the owner or owners of the working interest in such properties to comply with the covenants and agreements contained herein; and as to any part of the Mortgaged Properties which is a working interest but which is operated by a party other than Mortgagor, Mortgagor agrees to take all such action and to exercise all rights and remedies as are available to Mortgagor (including, but not limited to, all rights under any operating agreement) to cause the party who is the operator of such property to comply with the covenants and agreements contained herein.

Section 2.3 Performance on Mortgagors' Behalf. Mortgagor agrees that, if Mortgagor fails to perform any act or to take any action which hereunder Mortgagor is required to perform or take, or to pay any money which hereunder Mortgagor is required to pay promptly after demand by Mortgagee, Mortgagee, in Mortgagors' name or its own name, may, but shall not be obligated to, perform or cause to be performed such act or take such action or pay such money, and any expenses so incurred by Mortgagee and any money so paid by Mortgagee shall be a demand obligation owing by Mortgagor to Mortgagee (which obligation Mortgagor hereby expressly promises to pay) and Mortgagee, upon making such payment, shall be subrogated to all of the rights of the person, corporation or body politic receiving such payment. Each amount due and owing by Mortgagor to Mortgagee, Trustee, and/or any Holder pursuant to this Mortgage

shall bear interest from the date of such expenditure or payment until paid, at a rate equal to the "Default Rate", as such term or a similar term is defined in the applicable Commodity Hedge Agreement (as defined in the Collateral Agency and Intercreditor Agreement) or other Debt Agreement (as defined in the Collateral Agency and Intercreditor Agreement); provided that, should applicable law provide for a maximum permissible rate of interest on such amounts, such rate shall not be greater than such maximum permissible rate; all such amounts, together with such interest thereon, shall be a part of the secured obligations and shall be secured by this Mortgage.

ARTICLE III.

Assignment of Production, Accounts, and Proceeds

Section 3.1 Assignment of Production. Mortgagor does hereby absolutely and unconditionally assign, transfer and set over to Mortgagee all Production which accrues to Mortgagors' interest in the Mortgaged Properties, all proceeds of such Production and all Payments in Lieu of Production (herein collectively referred to as the "Production Proceeds"), together with the immediate and continuing right to collect and receive such Production Proceeds. Mortgagor shall never require Mortgagee to institute legal proceedings of any kind whatsoever to enforce the provisions of this Assignment and transfer and hereby, to the extent legally permitted, waives any rights to require such proceedings. Mortgagor directs and instructs any and all purchasers of any Production to pay to Mortgagee all of the Production Proceeds accruing to Mortgagors' interest until such time as such purchasers have been furnished with evidence that all secured obligations has been paid and that this Mortgage has been released. Mortgagor agrees that no purchasers of the Production shall have any responsibility for the application of any funds paid to Mortgagee.

Section 3.2 Effectuating Payment of Production Proceeds to Mortgagee. Independent of the foregoing provisions and authorities herein granted, Mortgagor agrees to execute and deliver any and all transfer orders, division orders and other instruments that may be requested by Mortgagee, acting upon the written direction of the Required Secured Parties, or that may be required by any purchaser of any Production for the purpose of effectuating payment of the Production Proceeds to Mortgagee. If under any existing sales agreements, other than division orders or transfer orders, any Production Proceeds are required to be paid by the purchaser to Mortgagor so that under such existing agreements payment cannot be made of such Production Proceeds to Mortgagee, Mortgagors' interest in all Production Proceeds under such sales agreements and in all other Production Proceeds which for any reason may be paid to Mortgagor shall, when received by Mortgagor, constitute trust funds in Mortgagors' hands and shall be immediately paid over to Mortgagee. Without limitation upon any of the foregoing, Mortgagor hereby constitutes and appoints Mortgagee as Mortgagors' special attorney-in-fact (with full power of substitution, either generally or for such periods or purposes as Mortgagee may from time to time prescribe) in the name, place and stead of Mortgagor to do any and every act and exercise any and every power that Mortgagor might or could do or exercise personally with respect to all Production and Production Proceeds (the same having been assigned by Mortgagor to Mortgagee pursuant to Section 3.1 hereof), expressly inclusive, but not limited to, the right, power and authority to:

(a) Execute and deliver in the name of Mortgagor any and all transfer orders, division orders, letters in lieu of transfer orders, indemnifications, certificates and other instruments of every nature that may be requested or required by any purchaser of Production from any of the Mortgaged Properties for the purposes of effectuating payment of the Production Proceeds to Mortgagee or which Mortgagee may otherwise deem necessary or appropriate to effect the intent and purposes of the assignment contained in Section 3.1; and

(b) If under any product sales agreements other than division orders or transfer orders, any Production Proceeds are required to be paid by the purchaser to Mortgagor so that under such existing agreements payment cannot be made of such Production Proceeds to Mortgagee, to make, execute and enter into such sales agreements or other agreements as are necessary to direct Production Proceeds to be payable to Mortgagee;

giving and granting unto said attorney-in-fact full power and authority to do and perform any and every act and thing whatsoever necessary and requisite to be done as fully and to all intents and purposes, as Mortgagor might or could do if personally present; and Mortgagor shall be bound thereby as fully and effectively as if Mortgagor had personally executed, acknowledged and delivered any of the foregoing certificates or documents. The powers and authorities herein conferred upon Mortgagee may be exercised by Mortgagee through any person who, at the time of the execution of the particular instrument, is an officer of Mortgagee. The power of attorney herein conferred is granted for valuable consideration and hence is coupled with an interest and is irrevocable so long as the secured obligations, or any part thereof, shall remain unpaid. All persons dealing with Mortgagee or any substitute shall be fully protected in treating the powers and authorities conferred by this paragraph as continuing in full force and effect until advised by Mortgagee that all the secured obligations is fully and finally paid. Mortgagee may, but shall not be obligated to, take such action as it deems appropriate in an effort to collect the Production Proceeds and any reasonable costs and expenses (including reasonable attorney's fees and expenses) so incurred by Mortgagee shall be a demand obligation of Mortgagor and shall be part of the secured obligations, and shall bear interest each day, from the date of such expenditure or payment until paid, at the rate described in Section 2.3 hereof.

Section 3.3 Change of Purchaser. To the extent a default has occurred hereunder and is continuing, should any person now or hereafter purchasing or taking Production fail to make payment promptly to Mortgagee of the Production Proceeds, Mortgagee shall, subject to then existing contractual prohibitions, have the right (but not the obligation) to make, or to require Mortgagor to make, a change of purchaser, and the right to designate or approve the new purchaser, and Mortgagee shall have no liability or responsibility in connection therewith so long as ordinary care is used in making such designation.

Section 3.4 Application of Production Proceeds. Notwithstanding anything to the contrary in this Article III, so long as no default has occurred hereunder, the Production Proceeds will continue to be paid directly to Mortgagor. After a default hereunder has occurred, and so long as such default is continuing, all Production Proceeds from time to time in the hands of Mortgagee shall be applied to the payment of the secured obligations at such times and in such manner and order as contemplated in the Collateral Agency and Intercreditor Agreement.

Section 3.5 Release from Liability; Indemnification. Mortgagee and its successors and assigns are hereby released and absolved from all liability for failure to enforce collection of the Production Proceeds and from all other responsibility in connection therewith, except the responsibility of each to account to Mortgagor for funds actually received by each. Mortgagor agrees to indemnify and hold harmless Mortgagee (for purposes of this paragraph, the term "Mortgagee" shall include the directors, officers, partners, employees and agents of Mortgagee and any persons or entities owned or controlled by or affiliated with Mortgagee) from and against all claims, demands, liabilities, losses, damages (including without limitation consequential damages), causes of action, judgments, penalties, costs and expenses (including without limitation reasonable attorneys' fees and expenses) imposed upon, asserted against or incurred or paid by Mortgagee by reason of the assertion that Mortgagee received, either before or after payment in full of the secured obligations, funds from the production of oil, gas, other hydrocarbons or other minerals claimed by third persons (and/or funds attributable to sales of Production which (i) were made at prices in excess of the maximum price permitted by applicable law or (ii) were otherwise made in violation of laws, rules, regulations and/or orders governing such sales), and Mortgagee shall have the right to defend against any such claims or actions, employing attorneys of its own selection, and if not furnished with indemnity or security satisfactory to it, Mortgagee shall have the right to compromise and adjust any such claims, actions and judgments, and in addition to the rights to be indemnified as herein provided, all amounts paid by Mortgagee in compromise, satisfaction or discharge of any such claim, action or judgment, and all court costs, attorneys' fees and other expenses of every character expended by Mortgagee pursuant to the provisions of this Section shall be a demand obligation (which obligation Mortgagor hereby expressly promises to pay) owing by Mortgagor to Mortgagee and shall bear interest, from the date expended until paid, at the rate described in Section 2.3 hereof. The foregoing indemnities shall not terminate upon the Release Date or upon the release, foreclosure or other termination of this Mortgage but will survive the Release Date, foreclosure of this Mortgage or conveyance in lieu of foreclosure, and the repayment of the secured obligations and the discharge and release of this Mortgage and the other documents evidencing and/or securing the secured obligations and the resignation or removal of the Mortgagee. **WITHOUT LIMITATION, IT IS THE INTENTION OF MORTGAGOR AND MORTGAGOR AGREES THAT THE FOREGOING RELEASES AND INDEMNITIES SHALL APPLY TO EACH INDEMNIFIED PARTY WITH RESPECT TO ALL CLAIMS, DEMANDS, LIABILITIES, LOSSES, DAMAGES (INCLUDING WITHOUT LIMITATION CONSEQUENTIAL DAMAGES), CAUSES OF ACTION, JUDGMENTS, PENALTIES, COSTS AND EXPENSES (INCLUDING WITHOUT LIMITATION REASONABLE ATTORNEYS' FEES AND EXPENSES) WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF THE NEGLIGENCE OF SUCH (AND/OR ANY OTHER) INDEMNIFIED PARTY.** However, such indemnities shall not apply to any particular indemnified party (but shall apply to the other indemnified parties) to the extent the subject of the indemnification is caused by or arises out of the gross negligence or willful misconduct of such particular indemnified party.

Section 3.6 Mortgagors' Absolute Obligation to Pay Obligations under the Transaction Documents. Nothing herein contained shall detract from or limit the obligations of Mortgagor to make prompt payment of the Obligations (as defined in the Collateral Agency and Intercreditor Agreement) under the Collateral Agency and Intercreditor Agreement, and any and all other secured obligations, at the time and in the manner provided herein and in the Collateral

Agency and Intercreditor Agreement, regardless of whether the Production and Production Proceeds herein assigned are sufficient to pay same, and the rights under this Article III shall be cumulative of all other rights under the Transaction Documents.

ARTICLE IV.

Remedies Upon Default

Section 4.1 Default. The term "default" as used in this Mortgage shall mean the occurrence of any of the following events:

- (a) the occurrence of an "Enforcement Event" as defined in the Collateral Agency and Intercreditor Agreement ; or
- (b) the failure of Mortgagor to pay over to Mortgagee any Production Proceeds which are receivable by Mortgagee under this Mortgage but which are paid to Mortgagor rather than Mortgagee.

Section 4.2 Pre-Foreclosure Remedies. Upon the occurrence of a default, Mortgagee is authorized, prior or subsequent to the institution of any foreclosure proceedings, to enter upon the Mortgaged Properties, or any part thereof, and to take possession of the Mortgaged Properties and all books and records relating thereto, and to exercise without interference from Mortgagor any and all rights which Mortgagor has with respect to the management, possession, operation, protection or preservation of the Mortgaged Properties. If necessary to obtain the possession provided for above, Mortgagee may invoke any and all remedies to dispossess Mortgagor, including, but not limited to, summary proceeding or restraining order. Mortgagor agrees to peacefully surrender possession of the Mortgaged Properties upon default, if requested. All costs, expenses and liabilities of every character incurred by Mortgagee in managing, operating, maintaining, protecting or preserving the Mortgaged Properties shall constitute a demand obligation (which obligation Mortgagor hereby expressly promises to pay) owing by Mortgagor to Mortgagee and shall bear interest from date of expenditure until paid at the rate described in Section 2.3 hereof, all of which shall constitute a portion of the secured obligations and shall be secured by this Mortgage and by any other instrument securing the secured obligations. In connection with any action taken by Mortgagee pursuant to this Section 4.2, **MORTGAGEE SHALL NOT BE LIABLE FOR ANY LOSS SUSTAINED BY MORTGAGOR RESULTING FROM ANY ACT OR OMISSION OF MORTGAGEE (INCLUDING MORTGAGEE'S OWN NEGLIGENCE) IN MANAGING THE MORTGAGED PROPERTIES UNLESS SUCH LOSS IS CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF MORTGAGEE**, nor shall Mortgagee be obligated to perform or discharge any obligation, duty or liability of Mortgagor arising under any agreement forming a part of the Mortgaged Properties or arising under any Permitted Encumbrance or otherwise arising. Mortgagor hereby assents to, ratifies and confirms any and all actions of Mortgagee with respect to the Mortgaged Properties taken under this Section 4.2.

Section 4.3 Foreclosure.

(a) Upon the occurrence of a default, this Mortgage may be foreclosed as to the Mortgaged Properties, or any part thereof, in any manner permitted by applicable law, including as specified in clauses (d) and (e) of this Section 4.3.

(b) Upon the occurrence of a default, Mortgagee or Trustee may exercise its rights of enforcement with respect to the Mortgage Collateral under the UCC, or under any other statute in force in any state to the extent the same is applicable law. Cumulative of the foregoing and the other provisions of this Section 4.3.

(i) To the extent permitted by law, Mortgagee or Trustee may enter upon the Mortgaged Properties or otherwise upon Mortgagors' premises to take possession of, assemble and collect the Mortgage Collateral or to render it unusable;

(ii) Mortgagee or Trustee may require Mortgagor to assemble the Mortgage Collateral and make it available at a place Mortgagee designates which is mutually convenient to allow Mortgagee to take possession or dispose of the Mortgage Collateral;

(iii) written notice mailed to Mortgagor as provided herein at least five (5) days prior to the date of public sale of the Mortgage Collateral or prior to the date after which private sale of the Mortgage Collateral will be made shall constitute reasonable notice;

(iv) in the event of a foreclosure of the liens, privileges and/or security interests evidenced hereby, the Mortgage Collateral, or any part thereof, and the Mortgaged Properties, or any part thereof, may, at the option of Mortgagee, be sold, as a whole or in parts, together or separately (including, without limitation, where a portion of the Mortgaged Properties is sold, the Mortgage Collateral related thereto may be sold in connection therewith);

(v) the expenses of sale provided for in clause of FIRST Section 4.5 shall include the reasonable expenses of retaking the Mortgage Collateral, or any part thereof, holding the same and preparing the same for sale or other disposition;

(vi) should, under this subsection, the Mortgage Collateral be disposed of other than by sale, any proceeds of such disposition shall be treated under Section 4.5 as if the same were sales proceeds; and

(vii) upon the occurrence and during the continuance of a default, Mortgagee or Trustee may, to the extent permitted under applicable law, elect to treat the fixtures included in the Mortgage Collateral either as real property or as personal property, or both, and proceed to exercise such rights as apply thereto. With respect to any sale of real property included in the Mortgaged Properties made under the powers of sale herein granted and conferred, Mortgagee or

Trustee may, to the extent permitted by applicable law, include in such sale any personal property and fixtures included in the Mortgage Collateral and relating to such real property.

(c) To the extent permitted by applicable law, the sale hereunder of less than the whole of the Mortgaged Properties shall not exhaust the powers of sale herein granted or the right to judicial foreclosure, and successive sale or sales may be made until the whole of the Mortgaged Properties shall be sold, and, if the proceeds of such sale of less than the whole of the Mortgaged Properties shall be less than the aggregate of the obligations secured hereby and the expense of conducting such sale, this Mortgage and the liens, privileges and security interests hereof shall remain in full force and effect as to the unsold portion of the Mortgaged Properties just as though no sale had been made; provided, however, that Mortgagor shall never have any right to require the sale of less than the whole of the Mortgaged Properties. In the event any sale hereunder is not completed or is defective, such sale shall not exhaust the powers of sale hereunder or the right to judicial foreclosure, and Mortgagee shall have the right (but not the obligation) to cause a subsequent sale or sales to be made. Any sale may be adjourned by announcement at the time and place appointed for such sale without further notice except as may be required by law. Mortgagee or Trustee acting under power of sale, may appoint or delegate any one or more persons as agent to perform any act or acts necessary or incident to any sale held by it (including, without limitation, the posting of notices and the conduct of sale), and such appointment need not be in writing or recorded. Any and all statements of fact or other recitals made in any deed or deeds, or other instruments of transfer, given in connection with a sale as to nonpayment of the secured obligations or as to the occurrence of any default, or as all of the secured obligations having been declared to be due and payable, or as to the request to sell, or as to notice of time, place and terms of sale and the properties to be sold having been duly given or, with respect to any sale by the Trustee, as to the refusal, failure or inability to act of Trustee or the appointment of any substitute or successor trustee, or as to any other act or thing having been duly done, shall be taken as prima facie evidence of the truth of the facts so stated and recited. Notwithstanding any reference herein to the Collateral Agency and Intercreditor Agreement, any Secured Commodity Hedge, any Debt Agreement or any other Transaction Document, all persons dealing with the Mortgaged Properties shall be entitled to rely on any document, or certificate, of Mortgagee as to the occurrence of a default, and shall not be charged with or forced to review any provision of any other document to determine the accuracy thereof. With respect to any sale held in foreclosure of the liens and/or security interests covered hereby, it shall not be necessary for the Mortgagee, Trustee, any public officer acting under execution or order of the court or any other party to have physically present or constructively in his/her or its possession, either at the time of or prior to such sale, the Mortgaged Properties or any part thereof.

(d) Foreclosure on Deed of Trust Mortgaged Properties. Upon the occurrence of a default, Trustee is authorized and empowered and it shall be Trustee's special duty at the request of Mortgagee (acting upon the written direction of the Required Secured Parties) to sell the Deed of Trust Mortgaged Properties, or any part thereof, as an entirety or in parcels as Mortgagee may elect (acting upon the written direction of the Required Secured Parties), at such place or places and otherwise in the manner and upon such

notice as may be required by law or, in the absence of any such requirement, as Trustee may deem appropriate. If Trustee shall have given notice of sale hereunder, any successor or substitute Trustee thereafter appointed may complete the sale and the conveyance of the Deed of Trust Mortgaged Properties pursuant thereto as if such notice had been given by the successor or substitute Trustee conducting the sale.

(i) A POWER OF SALE HAS BEEN GRANTED IN THIS MORTGAGE. A POWER OF SALE MAY ALLOW TRUSTEE TO TAKE THE MORTGAGED PROPERTIES AND SELL THEM WITHOUT GOING TO COURT IN A FORECLOSURE ACTION UPON DEFAULT BY MORTGAGOR UNDER THIS MORTGAGE.

(ii) *West Virginia Specific Provisions.* Cumulative of the foregoing and the other provisions of this Section 4.3 as to any portion of the Deed of Trust Mortgaged Properties located in the State of West Virginia, it shall be the duty of the Trustee, at the written request of the Mortgagee (which request shall be presumed) to enforce this trust and to sell any of the Deed of Trust Mortgaged Properties as an entirety or in parcels, by one sale or by several sales, held at one time or at different times, all as the Trustee acting may elect. The Trustee shall publish a notice of such sale or sales as a Class II legal advertisement in compliance with the provisions of Article 3 of Chapter 59 of the West Virginia Code (being herein referred to as the "West Virginia Code"), in the county or counties where such property is located, and the Trustee shall give notice to Mortgagor and, at least twenty (20) days in advance, shall give notice to any subordinate lienholder who has previously notified the primary lienholder by certified mail of the existence of a subordinate lien, and no other notice of such sale shall be required. Such notice shall include, with respect to the county or counties where such notice is to be given, the time and place of the sale, the names of the parties to this Mortgage, the date of this Mortgage, the office and book in which this Mortgage is recorded, the quantity and description of the land and other property in such county or counties conveyed by this Mortgage and the terms of sale, which terms shall be cash in hand on the day of sale and any other terms as the Trustee shall determine. At any sale, the Trustee may act through an agent or attorney and any sale hereunder may be adjourned from time to time, without notice other than oral proclamation of such adjournment at the time and place of sale, or at the time and place of any adjourned sale. To the extent allowed by applicable law, the Mortgagor hereby waives service of notice of such sale as provided by West Virginia Code § 38-1-4. The Mortgagor authorizes and empowers the Trustee to sell any of the Deed of Trust Mortgaged Properties in lots or parcels or in its entirety and on any terms, both as the Trustee shall deem expedient, and to execute and deliver to the purchaser or purchasers thereof good and sufficient deeds of conveyance thereto by quitclaim deed without any warranty, express or implied. Where portions of the Deed of Trust Mortgaged Properties lie in different counties, sales in such counties may be conducted in any order that the Trustee may deem expedient, and one or more such sales may be conducted in the same month or in successive or different months as the Trustee may deem expedient. Except as otherwise expressly provided herein, any notice

or notices to the Mortgagor and/or the Mortgagee (who shall receive such notice or notices on behalf of the primary lienholder or lienholders) required or permitted by law and not properly waived hereunder, including without limitation notice of the existence of a subordinate lien, shall be given to the Mortgagor and/or the Mortgagee at the respective addresses set forth below the execution lines on the signature pages hereof and in the manner provided by applicable law. The provisions of this Section 4.3(d)(i) with respect to serving, publishing and giving notices of sale are intended to comply with the provisions of West Virginia Code § 38-1-4. In the event the requirements for any notice, or the serving, publishing or giving same is modified by future amendment to the West Virginia Code, the requirement for such particular notice shall, to the extent no longer applicable, be stricken from, or the manner of serving, publishing or giving any notice hereunder modified in, this Mortgage in conformity with such amendment. The manner herein prescribed for serving, publishing or giving any notice, other than that to be published or caused to be published by the Trustee, shall not be deemed exclusive but such notice or notices may be served, published or given in any other manner that may be permitted by applicable law. Further, in relation to this Mortgage and the exercise of any power of sale by the Trustee hereunder, if either the West Virginia Code shall be amended or modified to require any other notice or the publishing, serving or giving thereof or any statute hereafter enacted shall require any other notice or the publishing, serving or giving thereof, the Trustee or the person selected by him is hereby authorized and empowered by the Mortgagor to give such notice or make such publishing, serving or giving thereof; however, the Mortgagor waives such other notice or the publishing, serving or giving thereof to the full extent the Mortgagor may lawfully so do.

(iii) *Effective as Mortgage.* As to the Deed of Trust Mortgaged Properties, this instrument shall be effective as a mortgage as well as a deed of trust and upon the occurrence of a default may be foreclosed as to the Deed of Trust Mortgaged Properties, or any portion thereof, in any manner permitted by applicable law, and any foreclosure suit may be brought by Trustee or by Mortgagee. To the extent, if any, required to cause this instrument to be so effective as a mortgage as well as a deed of trust, Mortgagor hereby mortgages the Deed of Trust Mortgaged Properties to Mortgagee. In the event a foreclosure hereunder as to the Deed of Trust Mortgaged Properties, or any part thereof, shall be commenced by Trustee, or his substitute or successor, Mortgagee may at any time before the sale of such properties direct Trustee to abandon the sale, and may then institute suit for the foreclosure of this Mortgage as to such properties. It is agreed that if Mortgagee should institute a suit for the foreclosure of this Mortgage, Mortgagee may at any time before the entry of a final judgment in said suit dismiss the same, and require Trustee, its substitute or successor, to sell the Deed of Trust Mortgaged Properties, or any part thereof, in accordance with the provisions of this Mortgage.

(e) Foreclosure on Other Mortgaged Properties. Upon the occurrence of a default, (i) Mortgagee may institute an action of mortgage foreclosure against the Other Mortgaged Properties, or take such other action at law or in equity for the enforcement of

this Mortgage and realization on the mortgage security or any other security herein or else here provided for, as the law may allow, and may proceed therein to final judgment and execution for the entire unpaid balance of the principal debt, with interest at the Default Rate, together with all other sums due by Mortgagor in accordance with the provisions of the Collateral Agency and Intercreditor Agreement and this Mortgage, including all sums which may have become owing by Mortgagor to Mortgagee after the date of this Mortgage, and all sums which may have been advanced by Mortgagee for taxes, water or sewer rents, charges or claims, payments on prior liens, insurance or repairs to the Mortgaged Properties, all costs of suit, together with interest at such rate on any judgment obtained by Mortgagee from and after the date of any Sheriff's sale until actual payment is made by the Sheriff of the full amount due Mortgagee, and a reasonable attorney's commission for collection; or (ii) Mortgagee may enter into possession of the Mortgaged Properties, manage, lease and operate the Mortgaged Properties, collect therefrom all rentals (which term shall also include sums payable for use and occupancy) and, after deducting all reasonable costs of collection and administration expense, apply the net rentals to any or all of the following in such order and amounts as Mortgagee, in Mortgagee's sole discretion, may elect: debt service on the Mortgage, the payment of taxes, water and sewer rents, charges and claims, insurance premiums and all other carrying charges, and to the maintenance, repair or restoration of the Mortgaged Properties, and on account and in reduction of the principal or interest, or both, hereby secured; in and for that purpose Mortgagor hereby assigns to Mortgagee all rentals due and to become due under any lease or leases or rights to use and occupancy of the Mortgaged Properties hereafter created, as well as all rights and remedies provided in such lease or leases or at law or inequity for the collection of the rentals; or (iii) Mortgagee may, upon any proper action or proceeding being commenced for the foreclosure of this Mortgage, apply for, and Mortgagee as a matter of right, without consideration of the value of the Mortgaged Property as security for the amount due Mortgagee, or of the solvency of any person, firm or corporation obligated for the payment of such amount, shall be entitled to the appointment by any competent court or tribunal, without prior demand or notice to any party, of a receiver of rents and profits and rental value of the Mortgaged Properties, including possession from Mortgagor if in possession and occupying any portion of the Mortgaged Properties, and in the latter case to require Mortgagor, as a condition of remaining in possession and occupation, to pay the reasonable rental value for the use and occupation thereof, with further power to lease and repair the Mortgaged Properties and to renovate same to suit new tenants and with such other powers as may be deemed necessary, and such receiver after deducting all proper charges and expenses attending the execution of the said trust as receiver, shall each month pay over to Mortgagee the residue of the said rents and profits and rental value, to be applied by Mortgagee to the payment of the amount remaining secured hereby, or to any deficiency (whether or not any judgment therefore may be entered and irrespective of the market value of the Mortgaged Properties) which may exist in the event of foreclosure by sale after applying the proceeds of the sale of the Mortgaged Properties to the payment of the amount due, including interest, costs and expenses of such foreclosure and sale, or in the event of strict foreclosure to the payment of any deficiency existing thereunder. A receiver while in possession of the Mortgaged Properties shall have the right to make repairs and to make improvements necessary or

advisable in its or his opinion to preserve the Mortgaged Properties, or to make and keep them rentable to the best advantage, and Mortgagee may advance moneys to a receiver for such purposes. Any moneys so expended or advanced by Mortgagee or by a receiver shall be repaid so far as possible out of the rents collected after payment of other expenses properly chargeable against said rents, and any unpaid balance of moneys so advanced or expended shall be added to and become a part of the debt secured by this Mortgage.

Section 4.4 Receiver. In addition to all other remedies herein provided for, Mortgagor agrees that, during the continuance of a default, Mortgagee shall as a matter of right be entitled to the appointment of a receiver or receivers for all or any part of the Mortgaged Properties, whether such receivership be incident to a proposed sale (or sales) of such property or otherwise, and without regard to the value of the Mortgaged Properties or the solvency of any person or persons liable for the payment of the obligations secured hereby, and Mortgagor does hereby consent to the appointment of such receiver or receivers, waives any and all defenses to such appointment, and agrees not to oppose any application therefor by Mortgagee, and agrees that such appointment shall in no manner impair, prejudice or otherwise affect the rights of Mortgagee under Article III hereof. Mortgagor expressly waives notice of a hearing for appointment of a receiver and the necessity for bond or an accounting by the receiver. Nothing herein is to be construed to deprive Mortgagee or any Holder of any other right, remedy or privilege it may now or hereafter have under the law to have a receiver appointed. Any money advanced by Mortgagee in connection with any such receivership shall be a demand obligation (which obligation Mortgagor hereby expressly promises to pay) owing by Mortgagor to Mortgagee and shall bear interest, from the date of making such advancement by Mortgagee until paid, at the rate described in Section 2.3 hereof.

Section 4.5 Proceeds of Foreclosure. The proceeds of any sale held in foreclosure of the liens and/or security interests evidenced hereby shall be applied, to the extent permitted by the applicable law:

FIRST, to the payment of all necessary and reasonable costs and expenses incident to such foreclosure sale, including but not limited to all court costs and charges of every character in the event foreclosed by suit or any judicial proceeding and including but not limited to a reasonable fee to the Trustee if such sale was made by the Trustee acting under the provisions of Section 4.4(d) and including but not limited to the compensation of the keeper, if any;

SECOND, to be applied to or held as collateral for the secured obligations as provided in Section 4.1 of the Collateral Agency and Intercreditor Agreement; and

THIRD, the remainder, if any there shall be, shall be paid to Mortgagor, or to Mortgagors' successors or assigns, or such other junior lienholders and creditors as their interests may appear.

Section 4.6 Holder as Purchaser. Any party constituting a Holder shall have the right to become the purchaser at any sale held in foreclosure of the liens and/or security interests evidenced hereby, and any party constituting a Holder which is purchasing at any such sale shall

have the right to credit upon the amount of the bid made therefor, to the extent necessary to satisfy such bid, the secured obligations owing to such party, or if such party holds less than all of such secured obligations, the pro rata part thereof owing to such party, accounting to all other parties constituting a Holder who are not joining in such bid in cash for the portion of such bid or bids apportionable to such non-bidding parties.

Section 4.7 Foreclosure as to Matured Debt. During the continuance of a default, Mortgagee shall have the right to proceed with foreclosure of the liens, privileges and/or security interests evidenced hereby without declaring the entire secured obligations due, and in such event, any such foreclosure sale may be made subject to the unmatured part of the secured obligations and shall not in any manner affect the unmatured part of the secured obligations, but as to such unmatured part, this Mortgage shall remain in full force and effect as though no sale had been made. The proceeds of such sale shall be applied as provided in Section 4.5 except that the amount paid under clause SECOND thereof shall be only the matured portion of the secured obligations and any proceeds of such sale in excess of those provided for in clauses FIRST and SECOND (modified as provided above) shall be applied as provided in the second sentence of Section 3.4 hereof. Several sales may be made hereunder without exhausting the right of sale for any unmatured part of the secured obligations.

Section 4.8 Remedies Cumulative. All remedies herein provided for are cumulative of each other and of all other remedies existing at law or in equity and are cumulative of any and all other remedies provided for in any other Transaction Document, and, in addition to the remedies herein provided, there shall continue to be available all such other remedies as may now or hereafter exist at law or in equity for the collection of the secured obligations and the enforcement of the covenants herein and the foreclosure of the liens and/or security interests evidenced hereby, and the resort to any remedy provided for hereunder or under any such other Transaction Document or provided for by law shall not prevent the concurrent or subsequent employment of any other appropriate remedy or remedies.

Section 4.9 Discretion as to Security. Mortgagee may resort to any security given by this Mortgage or to any other security now existing or hereafter given to secure the payment of the secured obligations, in whole or in part, and in such portions and in such order as may seem best to Mortgagee in its sole and uncontrolled discretion, and any such action shall not in any way be considered as a waiver of any of the rights, benefits, liens or security interests evidenced by this Mortgage.

Section 4.10 Mortgagors' Waiver of Certain Rights. To the full extent Mortgagor may do so, Mortgagor agrees that Mortgagor will not at any time insist upon, plead, claim or take the benefit or advantage of any law now or hereafter in force providing for any appraisalment, valuation, stay, extension or redemption, and Mortgagor, for Mortgagor, Mortgagors' successors and assigns, and for any and all persons ever claiming any interest in the Mortgaged Properties, to the extent permitted by applicable law, hereby waives and releases all rights of appraisalment, valuation, stay of execution, redemption, notice of intention to mature or declare due the whole of the secured obligations, notice of election to mature or declare due the whole of the secured obligations and all rights to a marshaling of assets of Mortgagor, including the Mortgaged Properties, or to a sale in inverse order of alienation in the event of foreclosure of the liens and/or security interests hereby created. Mortgagor shall not have or assert any right under any statute

or rule of law pertaining to the marshaling of assets, sale in inverse order of alienation, the exemption of homestead, the administration of estates of decedents, or other matters whatever to defeat, reduce or affect the right under the terms of this Mortgage to a sale of the Mortgaged Properties for the collection of the secured obligations without any prior or different resort for collection, or the right under the terms of this Mortgage to the payment of the secured obligations out of the proceeds of sale of the Mortgaged Properties in preference to every other claimant whatever. If any law referred to in this Section and now in force, of which Mortgagor or Mortgagors' successors or assigns or any other persons claiming any interest in the Mortgaged Properties might take advantage despite this Section, shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to preclude the application of this Section.

Section 4.11 Mortgagor as Tenant Post-Foreclosure. In the event there is a foreclosure sale hereunder and at the time of such sale Mortgagor or Mortgagors' successors or assigns are occupying or using the Mortgaged Properties, or any part thereof, each and all shall immediately become the tenant of the purchaser at such sale, which tenancy shall be a tenancy from day to day, terminable at the will of either landlord or tenant, at a reasonable rental per day based upon the value of the property occupied, such rental to be due daily to the purchaser. To the extent permitted by applicable law, the purchaser at such sale shall, notwithstanding any language herein apparently to the contrary, have the sole option to demand immediate possession following the sale or to permit the occupants to remain as tenants at will. In the event the tenant fails to surrender possession of said property upon demand, the purchaser shall be entitled to institute and maintain a summary action for possession of the property (such as an action for forcible entry and detainer) in any court having jurisdiction.

Section 4.12 (Reserved)

Section 4.13 Removal as Operator. In addition to all rights and remedies under this Mortgage or any other Transaction Document, at law and in equity, if a default shall occur and be continuing and the Mortgagee shall exercise any remedies under this Mortgage with respect to any portion of the Mortgaged Properties (or Mortgagor shall transfer any Mortgaged Properties "in lieu of" foreclosure) whereupon Mortgagor is divested of its title to the Mortgaged Properties, the Mortgagee shall have the right to request that any operator of any Mortgaged Properties which is either Mortgagor or any affiliate of Mortgagor resign as operator under the joint operating agreement applicable thereto, and no later than sixty (60) days after receipt by Mortgagor of any such request, Mortgagor shall resign (or cause such other party to resign) as operator of such Mortgaged Properties, subject to the provisions of the applicable joint operating agreement(s) (with respect to which Mortgagor hereby agrees to, and to cause its affiliates to, use best efforts to assist with the facilitation of any such request by Mortgagee) and subject to Mortgagors' reinstatement as operator if the default is timely cured.

Section 4.14 No Release of Obligations. Neither Mortgagor nor any other person or entity hereafter obligated for payment of all or any part of the secured obligations shall be relieved of such secured obligations by reason of (i) the failure of the Mortgagee or any other person or entity so obligated to foreclose the lien of this Mortgage or to enforce any provision hereunder or under the Collateral Agency and Intercreditor Agreement or any other Transaction Document; (ii) the release, regardless of consideration, of the Mortgaged Properties or any portion thereof or interest therein or the addition of any other property to the Mortgaged

Properties; (iii) any agreement or stipulation between any subsequent owner of the Mortgaged Properties and the Mortgagee extending, renewing, rearranging or in any other way modifying the terms of this Mortgage without first having obtained the consent of, given notice to or paid any consideration to Mortgagor or such other person or entity, and in such event Mortgagor and all such other persons or entities shall continue to be liable to make payment according to the terms of any such extension or modification agreement unless expressly released and discharged in writing by the Mortgagee; or (iv) any other act or occurrence save and except the complete payment and performance of the secured obligations.

Section 4.15 Discontinuance of Proceedings. In case the Mortgagee shall have proceeded to invoke any right, remedy or recourse permitted hereunder or under the Collateral Agency and Intercreditor Agreement or any other Transaction Document and shall thereafter elect to discontinue or abandon same for any reason, Mortgagee shall have the unqualified right to do so and, in such an event, Mortgagor and Mortgagee shall be restored to their former positions with respect to the secured obligations, this Mortgage, the Collateral Agency and Intercreditor Agreement, the other Transaction Documents, the Mortgaged Properties and otherwise, and the rights, remedies, recourses and powers of Mortgagee shall continue as if same had never been invoked.

Section 4.16 Release of Mortgage Collateral. Mortgagee may release, regardless of consideration, any part of the Mortgaged Properties without, as to the remainder, in any way impairing, affecting, subordinating or releasing the lien or security interest created in or evidenced by this Mortgage or its stature as a first and prior lien and security interest in and to the Mortgaged Properties, and without in any way releasing or diminishing the liability of any person or entity liable for the repayment or performance of the secured obligations. For payment of the secured obligations, Mortgagee may resort to any other security therefor held by Mortgagee in such order and manner as Mortgagee may elect in each case as directed by the Required Secured Parties.

Section 4.17 Powers of Attorney. MORTGAGOR HEREBY WAIVES ANY AND ALL RIGHTS AND PRIVILEGES THAT IT MIGHT OTHERWISE HAVE EXERCISED UNDER SECTION 5601 OF CHAPTER 56 OF TITLE 20. The powers of attorney granted herein shall not be construed in accordance with Section 5601 of Chapter 56 of Title 20 of the Pennsylvania Consolidated Statutes, as amended. Such powers shall be exercised for the benefit of Mortgagee and not for the benefit of Mortgagor and, in acting under such powers, Mortgagee shall have no fiduciary duty to Mortgagor.

Section 4.18 POWER TO CONFESS JUDGMENT. ARTICLE V.

Miscellaneous

Section 5.1 Scope of Mortgage. This Mortgage is a mortgage of both real/immovable and personal/movable property, a security agreement, a financing statement and an assignment, and also covers proceeds and fixtures and all rights as set out herein.

Section 5.2 Effective as a Financing Statement. This Mortgage, among other things, covers goods which are or are to become fixtures on the real property described herein and covers as-extracted collateral related to the real/immovable property described herein. This Mortgage shall be effective as a financing statement (i) filed as a fixture filing with respect to all fixtures included within the Mortgaged Properties, (ii) covering as-extracted collateral with respect to all as-extracted collateral included within the Mortgaged Properties (including, without limitation, all oil, gas, other minerals and other substances of value which may be extracted from the earth at the wellhead or minehead) and (iii) covering all other Mortgaged Properties. This Mortgage is to be filed for record in the real/immovable property records of each county where any part of the Mortgaged Properties is situated or which lies shoreward of any Mortgaged Property (*i.e.*, to the extent any Mortgaged Property lies offshore within the projected seaward extension of the relevant county boundaries), and may also be filed in the offices of the Bureau of Land Management or the Bureau of Ocean Energy Management or any relevant state agency (or any successor agencies). The Mortgagor is the debtor and the mailing address of Mortgagor is the address of Mortgagor set forth at the end of this Mortgage and the Mortgagee is the secured party and the address of Mortgagee from which information concerning the security interests hereunder may be obtained is the address of Mortgagee set forth at the end of this Mortgage. Nothing contained in this paragraph shall be construed to limit the scope of this Mortgage nor its effectiveness as a financing statement covering any type of Mortgaged Properties.

Section 5.3 Reproduction of Mortgage as Financing Statement; Authorization to File. A carbon, photographic, facsimile or other reproduction of this Mortgage or of any financing statement relating to this Mortgage shall be sufficient as a financing statement for any of the purposes referred to in Section 5.2. Without limiting any other provision herein, Mortgagor hereby authorizes Mortgagee to file, in any filing or recording office, one or more financing statements containing the description "all personal property" and any renewal or continuation statements thereof.

Section 5.4 Notice to Account Debtors. In addition to, but without limitation of, the rights granted in Article III hereof, Mortgagee may, at any time after a default has occurred that

is continuing, notify the account debtors or obligors of any accounts, chattel paper, negotiable instruments or other evidences of obligations included in the Mortgage Collateral to pay Mortgagee directly.

Section 5.5 Waivers. Mortgagee may at any time and from time to time in writing waive compliance by Mortgagor with any covenant herein made by Mortgagor to the extent and in the manner specified in such writing, or consent to Mortgagors' doing any act which hereunder Mortgagor is prohibited from doing, or to Mortgagors' failing to do any act which hereunder Mortgagor is required to do, to the extent and in the manner specified in such writing, or release any part of the Mortgaged Properties or any interest therein or any Production Proceeds from the lien and security interest of this Mortgage, without joinder of the Trustee. Any party liable, either directly or indirectly, for the secured obligations or for any covenant herein or in any other Transaction Document may be released from all or any part of such obligations without impairing or releasing the liability of any other party. No such act shall in any way impair any rights or powers hereunder except to the extent specifically agreed to in such writing.

Section 5.6 No Impairment of Security. To the extent allowed by applicable law, the lien, privilege, security interest and other security rights hereunder shall not be impaired by any indulgence, moratorium or release which may be granted including, but not limited to, any renewal, extension or modification which may be granted with respect to any secured obligations, or any surrender, compromise, release, renewal, extension, exchange or substitution which may be granted in respect of the Mortgaged Properties (including without limitation Production Proceeds), or any part thereof or any interest therein, or any release or indulgence granted to any endorser, guarantor or surety of any secured obligations.

Section 5.7 Acts Not Constituting Waiver. Any default may be waived without waiving any other prior or subsequent default. Any default may be remedied without waiving the default remedied. Neither failure to exercise, nor delay in exercising, any right, power or remedy upon any default shall be construed as a waiver of such default or as a waiver of the right to exercise any such right, power or remedy at a later date. No single or partial exercise of any right, power or remedy hereunder shall exhaust the same or shall preclude any other or further exercise thereof, and every such right, power or remedy hereunder may be exercised at any time and from time to time. No modification or waiver of any provision hereof nor consent to any departure by Mortgagor therefrom shall in any event be effective unless the same shall be in writing and signed by Mortgagee and then such waiver or consent shall be effective only in the specific instances, for the purpose for which given and to the extent therein specified. No notice nor demand on Mortgagor in any case shall of itself entitle Mortgagor to any other or further notice or demand in similar or other circumstances. Acceptance of any payment in an amount less than the amount then due on any secured obligations shall be deemed an acceptance on account only and shall not in any way excuse the existence of a default hereunder.

Section 5.8 Mortgagors' Successors. In the event the ownership of the Mortgaged Properties or any part thereof becomes vested in a person other than Mortgagor, then, without notice to Mortgagor, such successor or successors in interest may be dealt with, with reference to this Mortgage and to the obligations secured hereby, in the same manner as with Mortgagor, without in any way vitiating or discharging Mortgagors' liability hereunder or for the payment of

the obligations or performance of the obligations secured hereby. No transfer of the Mortgaged Properties, no forbearance, and no extension of the time for the payment of the obligations secured hereby, shall operate to release, discharge, modify, change or affect, in whole or in part, the liability of Mortgagor hereunder or for the payment of the obligations or performance of the obligations secured hereby, or the liability of any other person hereunder or for the payment of the obligations secured hereby.

Section 5.9 Place of Payment. All secured obligations which may be owing hereunder at any time by Mortgagor shall be payable at the places designated in the Collateral Agency and Intercreditor Agreement (or if no such designation is made, at the address of Mortgagee indicated at the end of this Mortgage), or at such other place as Mortgagee may designate in writing.

Section 5.10 Subrogation to Existing Liens. To the extent that proceeds of the secured obligations are used or Mortgagee or Holders make advances to pay obligations secured by any outstanding lien, privilege, security interest, charge or prior encumbrance against the Mortgaged Properties, such proceeds or advances will be deemed to have been advanced at Mortgagors' request, and the party or parties advancing the same shall be subrogated to any and all rights, security interests and liens owned by any owner or holder of such outstanding liens, privileges, security interests, charges or encumbrances, irrespective of whether said liens, privileges, security interests, charges or encumbrances are released, and it is expressly understood that, in consideration of the payment of such obligations, Mortgagor hereby waives and releases all demands and causes of action for offsets and payments to, upon and in connection with the said obligations.

Section 5.11 Application of Payments to Certain Obligations. If any part of the secured obligations cannot be lawfully secured by this Mortgage or if any part of the Mortgaged Properties cannot be lawfully subject to the lien, privilege and security interest hereof to the full extent of such obligations, then all payments made shall be applied on said obligations first in discharge of that portion thereof which is not secured by this Mortgage.

Section 5.12 Compliance with Usury Laws. It is the intent of Mortgagor, Mortgagee, all other Holders and all other parties to the Transaction Documents to contract in strict compliance with applicable usury law from time to time in effect. In furtherance thereof, it is stipulated and agreed that none of the terms and provisions contained herein or in the other Transaction Documents shall ever be construed to create a contract to pay, for the use, forbearance or detention of money, interest in excess of the maximum amount of interest permitted to be collected, charged, taken, reserved or received by applicable law from time to time in effect.

Section 5.13 Release of Mortgage. If a termination of the Collateral Agency and Intercreditor Agreement shall have occurred under the Collateral Agency and Intercreditor Agreement, all secured obligations have been fully paid under each of the Transaction Documents and all of the covenants, warranties, undertakings and agreements made in this Mortgage are kept and performed, and if neither Mortgagor nor Mortgagee or any Holder is bound to the other or required to permit any additional or future secured obligations to be incurred then or thereafter, then, upon sixty (60) days' prior written notice (or such lesser

number of days as may be mandated by applicable law), any Mortgagor may request that this Mortgage be terminated. Upon such termination any Mortgagor may further request that a written act of release of this Mortgage be provided. Mortgagee agrees to deliver such an act of release (subject to the foregoing limitation), all at the cost and expense of the Mortgagor, within sixty (60) days (or such lesser number of days as may be mandated by applicable law) of receiving such request unless the conditions precedent to such release specified in Article V of the Collateral Agency and Intercreditor Agreement have not been satisfied. Notwithstanding the foregoing, it is understood and agreed that certain indemnifications, and other rights, which are provided herein to continue following the release hereof, shall continue in effect notwithstanding such release. If any payment to any Holder or Mortgagee, is held to constitute a preference or a voidable transfer under applicable state or federal laws or if for any other reason any Holder or Mortgagee, is required to refund such payment to the payor thereof or to pay the amount thereof to any third party, this Mortgage shall be reinstated to the extent of such payment or payments.

Section 5.14 Notice. All notices, requests, consents, demands and other communications required or permitted hereunder shall be in writing and, shall be deemed sufficiently given or furnished if delivered by personal delivery, by facsimile, by delivery service with proof of delivery, or by registered or certified United States mail, postage prepaid, at the addresses specified at the end of this Mortgage (unless changed by similar notice in writing given by the particular party whose address is to be changed). Any such notice or communication shall be deemed to have been given (a) in the case of personal delivery or delivery service, as of the date of first attempted delivery at the address and in the manner provided herein, (b) in the case of facsimile, upon receipt, and (c) in the case of registered or certified United States mail, three (3) days after deposit in the mail. Notwithstanding the foregoing, any notice given in connection with a foreclosure of the liens and/or security interests created hereunder, or otherwise in connection with the exercise by Mortgagee, Trustee or any Holder of their respective rights hereunder, which is given in a manner permitted by applicable law shall constitute proper notice; without limitation of the foregoing, notice given in a form required or permitted by statute shall (as to the portion of the Mortgaged Properties to which such statute is applicable) constitute proper notice.

Section 5.15 Invalidity of Certain Provisions. A determination that any provision of this Mortgage is unenforceable or invalid shall not affect the enforceability or validity of any other provision and the determination that the application of any provision of this Mortgage to any person or circumstance is illegal or unenforceable shall not affect the enforceability or validity of such provision as it may apply to other persons or circumstances.

Section 5.16 Gender; Titles. Within this Mortgage, words of any gender shall be held and construed to include any other gender, and words in the singular number shall be held and construed to include the plural, unless the context otherwise requires. Titles appearing at the beginning of any subdivisions hereof are for convenience only, do not constitute any part of such subdivisions, and shall be disregarded in construing the language contained in such subdivisions.

Section 5.17 Amendments and Recording. This instrument may be amended, modified, revised, discharged, released or terminated, and any and all covenants in this instrument may from time to time be waived, only by a written instrument. Mortgagor will cause this Mortgage and all amendments and supplements thereto and substitutions therefor and all financing

statements and continuation statements relating thereto to be recorded, filed, re-recorded and refiled in such manner and in such places as Mortgagee or Trustee shall reasonably request and will pay all such recording, filing, re-recording and refiling taxes, fees and other charges.

Section 5.18 Reporting Compliance. Mortgagor agrees to comply with any and all reporting requirements applicable to this Mortgage which are set forth in any law, statute, ordinance, rule, regulation, order or determination of any governmental authority, and further agrees upon request of Mortgagee to furnish Mortgagee with evidence of such compliance.

Section 5.19 Certain Consents. Except where otherwise expressly provided herein, in any instance hereunder where the approval, consent or the exercise of judgment of Mortgagee or any Holder is required, the granting or denial of such approval or consent and the exercise of such judgment shall be within the sole discretion of such party, and such party shall not, for any reason or to any extent, be required to grant such approval or consent or exercise such judgment in any particular manner.

Section 5.20 Authority of Mortgagee. The persons constituting Holders may, by agreement among them, provide for and regulate the exercise of rights and remedies hereunder, but, unless and until modified to the contrary in writing signed by all such persons and recorded in the same counties as this Mortgage is recorded, (i) all persons other than Mortgagor and its affiliates shall be entitled to rely on the releases, waivers, consents, approvals, notifications and other acts (including, without limitation, trustees hereunder and the bidding in of all or any part of the secured obligations held by any one or more Holders, whether the same be conducted under the provisions hereof or otherwise) of Mortgagee, without inquiry into any such agreements or the existence of required consent or approval of any persons constituting Holders and without the joinder of any party other than Mortgagee in such releases, waivers, consents, approvals, notifications or other acts and (ii) all notices, requests, consents, demands and other communications required or permitted to be given hereunder may be given to Mortgagee.

Section 5.21 Counterparts. This Mortgage may be executed in several counterparts, all of which are identical, except that, to facilitate recordation, certain counterparts hereof may include only that portion of Exhibit A and/or Schedule I which contains descriptions of the Mortgaged Properties located in (or otherwise subject to the recording or filing requirements and/or protections of the recording or filing acts or regulations of) the recording jurisdiction in which the particular counterpart is to be recorded, and other portions of Exhibit A and Schedule I shall be included in such counterparts by reference only. All of the counterparts hereof together shall constitute one and the same instrument.

Section 5.22 Successors and Assigns. The terms, provisions, covenants, representations, indemnifications and conditions hereof shall be binding upon Mortgagor, and the successors and assigns of Mortgagor, and shall inure to the benefit of Mortgagee, Trustee and each person constituting Holders and their respective successors and assigns, and shall constitute covenants running with the Mortgaged Properties. Should the agency under which Mortgagee serves be terminated, or otherwise cease to exist, any successor to the Collateral Agent, or if none, Holders (including the respective successors and assigns of each person constituting a Holder) shall be deemed to be the successors to Mortgagee. All references in this Mortgage to

Mortgagor, Mortgagee, Trustee or Holders shall be deemed to include all such successors and assigns.

Section 5.23 **FINAL AGREEMENT OF THE PARTIES.** THE WRITTEN TRANSACTION DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

Section 5.24 **CHOICE OF LAW.** WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW, THIS MORTGAGE SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED ENTIRELY WITHIN SUCH STATE AND THE LAWS OF THE UNITED STATES OF AMERICA, EXCEPT THAT TO THE EXTENT THAT THE LAW OF A STATE IN WHICH A PORTION OF THE MORTGAGED PROPERTIES IS LOCATED (OR WHICH IS OTHERWISE APPLICABLE TO A PORTION OF THE MORTGAGED PROPERTIES) NECESSARILY OR, IN THE SOLE DISCRETION OF THE MORTGAGEE (ACTING AT THE WRITTEN DIRECTION OF THE REQUIRED SECURED PARTIES), APPROPRIATELY GOVERNS WITH RESPECT TO PROCEDURAL AND SUBSTANTIVE MATTERS RELATING TO THE CREATION, PERFECTION AND ENFORCEMENT OF THE LIENS, PRIVILEGES, SECURITY INTERESTS AND OTHER RIGHTS AND REMEDIES OF THE MORTGAGEE GRANTED HEREIN, THE LAW OF SUCH STATE SHALL APPLY AS TO THAT PORTION OF THE MORTGAGED PROPERTIES LOCATED IN (OR WHICH IS OTHERWISE SUBJECT TO THE LAWS OF) SUCH STATE.

Section 5.25 **Attorney-in-Fact.** Upon the occurrence and during the continuance of a default, the Mortgagor hereby designates the Mortgagee as its attorney-in-fact and grants to Mortgagee appropriate powers of attorney to act for and on behalf of the Mortgagor with the Department of Interior and all other agencies, departments and subdivisions of the United States of America and of all states, in all transactions relating to the Mortgage Collateral or any part thereof. The Mortgagor hereby authorizes and directs all such agencies, departments and subdivisions to rely upon any writing from Mortgagee asserting that a default has occurred and is continuing, without inquiry into whether or not such default actually occurred and is continuing, and the Mortgagor agrees that the exercising by Mortgagee of such powers of attorney may be relied upon in all respects and, as between the Mortgagor and such agency, department or subdivision, shall be binding upon the Mortgagor.

Section 5.26 **Rule Against Perpetuities.** Notwithstanding any other provision contained herein, if any property interest granted by this Mortgage does not vest on the execution and delivery of this Instrument, it shall vest, if at all, no later than twenty (20) years and three hundred and sixty four (364) days after the death of the last surviving descendant of Barack Obama (44th President of the United States) who is alive on the execution and delivery of this Instrument.

Section 5.27 Exculpation Provisions. EACH OF THE PARTIES HERETO SPECIFICALLY AGREES THAT IT HAS A DUTY TO READ THIS MORTGAGE; AND AGREES THAT IT IS CHARGED WITH NOTICE AND KNOWLEDGE OF THE TERMS OF THIS MORTGAGE; THAT IT HAS IN FACT READ THIS MORTGAGE AND IS FULLY INFORMED AND HAS FULL NOTICE AND KNOWLEDGE OF THE TERMS, CONDITIONS AND EFFECTS OF THIS MORTGAGE; THAT IT HAS BEEN REPRESENTED BY INDEPENDENT LEGAL COUNSEL OF ITS CHOICE THROUGHOUT THE NEGOTIATIONS PRECEDING ITS EXECUTION OF THIS MORTGAGE; AND HAS RECEIVED THE ADVICE OF ITS ATTORNEY IN ENTERING INTO THIS MORTGAGE; AND THAT IT RECOGNIZES THAT CERTAIN OF THE TERMS OF THIS MORTGAGE RESULT IN ONE PARTY ASSUMING THE LIABILITY INHERENT IN SOME ASPECTS OF THE TRANSACTION AND RELIEVING THE OTHER PARTY OF ITS RESPONSIBILITY FOR SUCH LIABILITY. EACH PARTY HERETO AGREES AND COVENANTS THAT IT WILL NOT CONTEST THE VALIDITY OR ENFORCEABILITY OF ANY EXCULPATORY PROVISION OF THIS MORTGAGE ON THE BASIS THAT THE PARTY HAD NO NOTICE OR KNOWLEDGE OF SUCH PROVISION OR THAT THE PROVISION IS NOT "CONSPICUOUS."

Section 5.28 Substitute Trustee. The Trustee may resign by an instrument in writing addressed to Mortgagee, or Trustee may be removed at any time with or without cause by an instrument in writing executed by Mortgagee. In case of the death, resignation, removal, or disqualification of Trustee, or if for any reason Mortgagee shall deem it desirable to appoint a substitute or successor trustee to act instead of the herein named trustee or any substitute or successor trustee, then Mortgagee shall have the right and is hereby authorized and empowered to appoint a successor trustee, or a substitute trustee, without other formality than appointment and designation in writing executed by Mortgagee and the authority hereby conferred shall extend to the appointment of other successor and substitute trustees successively until the obligations secured hereby has been paid in full, or until the Mortgaged Property is sold hereunder. Such appointment and designation by Mortgagee shall be full evidence of the right and authority to make the same and of all facts therein recited. If Mortgagee is a corporation or association and such appointment is executed in its behalf by an officer of such corporation or association, such appointment shall be conclusively presumed to be executed with authority and shall be valid and sufficient without proof of any action by the board of directors or any superior officer of the corporation or association. Mortgagee may act through an agent or attorney-in-fact in substituting trustees. Upon the making of any such appointment and designation, all of the estate and title of Trustee in the Deed of Trust Mortgaged Properties shall vest in the named successor or substitute Trustee and such successor or substitute shall thereupon succeed to, and shall hold, possess and execute, all the rights, powers, privileges, immunities and duties herein conferred upon Trustee; but nevertheless, upon the written request of Mortgagee or of the successor or substitute Trustee, the Trustee ceasing to act shall execute and deliver an instrument transferring to such successor or substitute Trustee all of the estate and title in the Deed of Trust Mortgaged Properties of the Trustee so ceasing to act, together with all the rights, powers, privileges, immunities and duties herein conferred upon the Trustee, and shall duly assign, transfer and deliver any of the properties and moneys held by said Trustee hereunder to said successor or substitute Trustee. All references herein to Trustee shall be deemed to refer to

Trustee (including any successor or substitute appointed and designated as herein provided) from time to time acting hereunder.

Section 5.29 No Liability for Trustee. THE TRUSTEE SHALL NOT BE LIABLE FOR ANY ERROR OF JUDGMENT OR ACT DONE BY TRUSTEE IN GOOD FAITH, OR BE OTHERWISE RESPONSIBLE OR ACCOUNTABLE UNDER ANY CIRCUMSTANCES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, THE TRUSTEE'S NEGLIGENCE), EXCEPT FOR TRUSTEE'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. The Trustee shall have the right to rely on any instrument, document or signature authorizing or supporting any action taken or proposed to be taken by the Trustee hereunder, believed by the Trustee in good faith to be genuine. All moneys received by Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys (except to the extent required by law), and Trustee shall be under no liability for interest on any moneys received by him hereunder. Mortgagor hereby ratifies and confirms any and all acts which the herein named Trustee or its successor or successors, substitute or substitutes, shall do lawfully by virtue hereof. Mortgagor will reimburse Trustee for, and indemnify and save Trustee harmless against, any and all liability and expenses (including attorneys' fees) which may be incurred by Trustee in the performance of his duties. The foregoing indemnities shall not terminate upon the Release Date or upon the release, foreclosure or other termination of this Mortgage but will survive the Release Date, foreclosure of this Mortgage or conveyance in lieu of foreclosure, and the repayment of the secured obligations and the discharge and release of this Mortgage and the other documents evidencing and/or securing the secured obligations. Any amount to be paid hereunder by Mortgagor to Trustee shall be a demand obligation owing by Mortgagor to Trustee and shall be subject to and covered by the provisions of Section 2.3 hereof.

Section 5.30 No Discretion. Notwithstanding anything else to the contrary herein, whenever reference is made in this Mortgage to any discretionary action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Mortgagee or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction, reasonable satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Mortgagee, it is understood that in all cases the Mortgagee shall be fully justified in failing or refusing to take any such action under this Mortgage if it shall not have received such written instruction, advice or concurrence of the Required Secured Parties (as defined in the Collateral Agency and Intercreditor Agreement), as it deems appropriate. This provision is intended solely for the benefit of the Mortgagee and its successors and permitted assigns and is not intended to and will not entitle the other parties hereto to any defense, claim or counterclaim, or confer any rights or benefits on any party hereto.

Section 5.31 Rights and Protections of Mortgagee. The rights, privileges, protections, immunities and benefits given to the Mortgagee in its capacity as Collateral Agent in the Collateral Agency and Intercreditor Agreement including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Mortgagee as if set forth herein mutatis mutandis.

3. References in Schedule I to instruments on file in the public records are made for all purposes. Unless provided otherwise, all recording references in Schedule I are to the official conveyance records of the county in which (or, if the Mortgaged Property is located on the outer continental shelf, then of the county or counties adjacent to which) the Mortgaged Property is located and in which records such documents are or in the past have been customarily recorded, whether Conveyance Records, Oil and Gas Records, Oil and Gas Lease Records or other records.
